Lyf Dear Kate:

Dear Kate Kate Troyer, 2023-02-27 As a timid shy girl living in an Amish community Kate Troyer dreamed of one day marrying a knight in shining armor who would love every little thing about her and that this love would glue the broken pieces of her heart together again As it turns out her dream did come true and their love did just that but first Kate would have to experience more turmoil than she ever imagined In a retelling of her courtship and marriage as a naive eighteen year old girl Kate shares insight into her personal journey as well as reflective letters to herself that reveal a poignant glimpse into the intense turmoil that surrounded the majority of her married life as she walked a fine line between trying to please God and her older husband and finding her true self As she reveals her many struggles Kate also details the breakthroughs that enabled her to grow where she was planted and eventually led her to the illuminating discovery that attaining a happy marriage is sometimes as simple as changing one's perspective Dear Kate is the inspirational true story of a woman's experiences as she matured from an innocent girl into a loyal wife who relied on her faith and belief in herself to build a strong and lasting marriage

Dear Kate Gerard Thomas Straub, 1992 Depressed and suicidal Christopher Ryan a television producer decides to write about himself and his life in a series of letters to his daughter to be given to her on her twenty first birthday

Speed of Life Carol Weston, 2017-04-04 From award winning author Carol Weston comes an uplifting heartfelt tale of bravery and strength in the face of loss and grief perfect for tweens teens and adults alike I will eagerly place it on my daughter's bookshelf so that she like Sofia can find her own resilience and voice in our painful joyful speeding world New York Times Sofia lost her mother eight months ago and her friends were 100% there for her Now it's a new year and they're ready for Sofia to move on But being a motherless daughter is hard to get used to especially when you're only fourteen Problem is Sofia can't bounce back can't recharge like a cellphone She decides to write Dear Kate an advice columnist for Fifteen Magazine and is surprised to receive a fast reply Soon the two are exchanging emails and Sofia opens up and spills all including a few worries that are totally embarrassing Turns out even advice columnists don't have all the answers and one day Sofia learns a secret that flips her world upside down 2018 Best Fiction for Young Adults American Library Association A 2018 Best Children's Book of the Year Bank Street College of Education 2017 Best Fiction for Older Readers Chicago Public Library 2019 2020 Young Hoosier Book Award Longlist Four STARRED Reviews Read the first page from Speed of Life WARNING This is kind of a sad story At least at first So if you don't like sad stories maybe you shouldn't read this I mean I'd understand if you put it down and watched cat videos instead I like cat videos too Then again this book is already in your hands It starts and ends on January 1 and I was thinking of calling it The Year My Whole Life Changed Or Life Death and Kisses Or maybe even The Year I Grew Up For me being fourteen was hard Really hard Childhood was a piece of cake Being a kid in New York City and spending summers in Spain that was all pretty perfect looking back But being fourteen was like climbing a mountain in the rain In flip flops I hoped I'd wind up in a different place but I kept tripping and slipping

and falling and wishing it weren't way too late to turn around This book does have funny parts And I learned two giant facts Number one everything can change in an instant for worse sure but also for better Number two sometimes if you just keep climbing you get an amazing view You see what's behind you and what's ahead of you and the big surprise what's inside you
