*The Poetry of Matthew Arnold as a Criticism of Life* Geraldine Rambeau Morris, 1954  
*Four Essays on Life and Letters* Matthew Arnold, 1947 Matthew Arnold George William Erskine Russell, 2019-12-17 In Matthew Arnold George William Erskine Russell presents a profound exploration of the life and works of one of Victorian England's most significant poets and critics. The text weaves a biographical narrative with critical analysis, delving into Arnold's philosophical musings and his profound influence on literature and culture. Russell's elegant prose and keen insights illuminate Arnold's enduring concerns with social issues, cultural disillusionment, and the search for spiritual meaning, all while adhering to the conventions of Victorian literary criticism. This scholarly work is contextualized within the broader movement of 19th-century literature, highlighting Arnold's role as both a product and a critic of his time. George William Erskine Russell was an esteemed literary critic and scholar whose deep admiration for Arnold's work informed his writing. Russell's own educational and cultural background provided him with a unique perspective on Arnold's contributions. He engaged with Arnold's poetry and prose not merely as a critic but as a fellow traveler in the intellectual landscape of the era, critically evaluating the intersections between literature, philosophy, and societal challenges. Matthew Arnold is an essential read for anyone wishing to deepen their understanding of Victorian literature and the complex interplay between art and societal values. Russell's thoughtful insights and engaging narrative make this book invaluable for scholars, students, and general readers alike, bridging the past and present through Arnold's timeless reflections.

The Portable Matthew Arnold Matthew Arnold, 1951-01-02 **Matthew Arnold** Matthew Arnold, 1998 Critic, essayist, educator, and poet, author of the *Scholar Gypsy*, *Dover Beach*, *The Forsaken Merman*, and other popular poems. Select Poems of Matthew Arnold (Classic Reprint) Edward Everett Hale, 2018-01-29 Excerpt from *Select Poems of Matthew Arnold*. Matthew Arnold was born at Laleham on the Thames in the county of Middlesex, December 24, 1822. He was the son of Thomas Arnold, who had begun practical life as we may call it, on leaving Oxford by taking private pupils. The father is famous now as Headmaster of Rugby, a man of most powerful and influential life in education and in religion, as well as whom his son always remembered with affection, though he followed a life, or more important a line of thought, very different from Thomas Arnold's. He was one of a large family who were closely bound together by great affection through life, so that the real view we have of Arnold's personal life is gained almost entirely from letters, either to his mother or his sisters, and of course to his wife. The influence of childhood amounted to much with Arnold, for though the family soon left Laleham for Rugby, which is not a very attractive place, yet vacations were spent at Fox How in Westmoreland, of which Dr. Arnold was devotedly fond, where Matthew learned to know

the Lake Country and Wordsworth two very strong elements in forming his life and his poetry About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
