J. Farley,2021-09-07 For sixteen year old Geth Montego zero o clock begins on March 11 2020 By June she wonders if it will ever end An insightful eye opening and inventive story C J Farley has penned a novel that sheds an important light on real issues facing young people today Angie Thomas author of *The Hate U Give* In early March 2020 in New Rochelle New York teenager Geth Montego is fumbling with the present and uncertain about her future She only has three friends her best friend Tovah who's been acting weird ever since they started applying to college Diego who she wants to ask to prom and the K pop band BTS because the group always seems to be there for her when she needs them at least in her head She could use some help now Geth's small city becomes one of the first COVID 19 containment zones in the US As her community is upended by the virus and stirred up by the growing Black Lives Matter protests Geth faces a choice and a question Is she willing to risk everything to fight for her beliefs And if so what exactly does she believe in C J Farley captures a moment in spring 2020 no teenager will ever forget It sucks watching the world fall apart But sometimes you have to start from zero **Death's Door** Meryl Sawyer,2012-11-15 Romantic suspense from a New York Times bestseller with bold pacing and a steamy love affair keeps readers guessing right up to the tingling conclusion Booklist Madison Connelly is tired of lies and betrayal First her husband and business partner leaves her for another woman Then Detective Paul Tanner arrives to tell her that the man she thought was her father isn't Madison wants answers answers about her past that someone is going to deadly lengths to keep hidden Falling for Madison isn't in Paul's job description And soon she'll need more than Paul's growing attraction to keep her safe Because she's about to be drawn deep into a complicated web of intrigue deceit and murder *American Palestine* Hilton Obenzinger,2020-07-21 In the nineteenth century American tourists scholars evangelists writers and artists flocked to Palestine as part of a Holy Land mania Many saw America as a New Israel a modern nation chosen to do God's work on Earth and produced a rich variety of inspirational art and literature about their travels in the original promised land which was then part of Ottoman controlled Palestine In *American Palestine* Hilton Obenzinger explores two infidel texts in this tradition Herman Melville's *Clarel A Poem and Pilgrimage to the Holy Land* 1876 and Mark Twain's *The Innocents Abroad or The New Pilgrims Progress* 1869 As he shows these works undermined in very different ways conventional assumptions about America's divine mission In the darkly philosophical *Clarel* Melville found echoes of Palestine's apparent desolation and ruin in his own spiritual doubts and in America's materialism and corruption Twain's satiric travelogue by contrast mocked the romantic

naiveté of Americans abroad noting the incongruity of a fantastic mob of Yanks in the Holy Land and contrasting their exalted notions of Palestine with its prosaic reality Obenzinger demonstrates however that Melville and Twain nevertheless shared many colonialist and orientalist assumptions of the day revealed most clearly in their ideas about Arabs Jews and Native Americans Combining keen literary and historical insights and careful attention to the context of other American writings about Palestine this book throws new light on the construction of American identity in the nineteenth century [Probate Practitioner's Handbook](#) L.
