MacKey,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Lost Word of Freemasonry** Hilton Hotema,1996-09 1967 the hidden secrets of masonry Rare unusual symbolic illustrations seldom found in books Many say this is one of the most unusual books they have ever read Content Mystery Symbolism in the Beginning Ancient Zodiac 12 Labors of Hercules Freemasonry Mark Stavish,2007 An exploration of Freemasonry and its history philosophy symbols and practices The Lost Word, Its Hidden Meaning George H. Steinmetz,2013-10 This is a new release of the original 1953 edition **That Masonic Lost Word** George V. Tudhope,2006-06 **The Hidden Secret Power of Freemasonry** Robert Kalian, P.M.,2022-08-01 It is entertaining to be antiaEURMasonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves This is masonry in a nutshell To achieve this betterment takes a great deal of work and selfaEURintrospection which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world Contained herein are chapters on women in Freemasonry the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons a chapter on the 133rd Psalm providing a lineEURbyaEURline interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final endaEURperiod of a man s life as it related to Ecclesiastes Chapter 12 Men join Freemasonry because in their hearts they seek to improve themselves In a reality any can start living as principled individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one s self with

thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry s symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon s temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry s major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin

Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z

MACKEY, M.D., 1917      The Lost Word Its Hidden Meaning: A Correlation of the Allegory and Symbolism of the Bible with That of Freemasonry George H Steinmetz, 2021-11-06

The Lost Word Its Hidden Meaning by George H Steinmetz is one of the most profound explorations ever written on the hidden connections between Biblical allegory and Masonic symbolism First published in 1948 this remarkable work bridges the worlds of religion mysticism and esoteric philosophy offering readers a unified vision of spiritual truth concealed within the symbols of both the Holy Scriptures and the Masonic tradition Steinmetz himself a dedicated student of Masonry and comparative religion guides the reader through an illuminating journey of interpretation from the ancient mystery schools of Egypt and Israel to the spiritual architecture of Solomon s Temple He reveals how Masonic rituals far from being mere ceremony express universal truths about the soul s quest for enlightenment the divine nature of man and the eternal search for the Lost Word the ineffable name of God and the key to inner awakening Written in lucid reverent prose The Lost Word invites both the Mason and the spiritual seeker to look beyond the literal and into the symbolic to rediscover the wisdom encoded in ancient allegory Steinmetz correlates Biblical parables Kabbalistic insight and Masonic ritual into a single framework of moral and metaphysical development showing how each mirrors the soul s ascent from ignorance to illumination For readers fascinated by symbolism sacred history and the spiritual heritage of Western civilization The Lost Word Its Hidden Meaning remains a cornerstone of esoteric literature a synthesis of philosophy faith and the perennial mystery of divine truth concealed within the Word itself      The Early History and Antiquities of Freemasonry George Franklin Fort, 1881      *A Comprehensive Dictionary of Freemasonry* Ernest Beha, 1962      The Freemason's Chronicle , 1898
