Paul Schneider Der Prediger Von Buchenwald:

Der Prediger Von Buchenwald. Paul Schneider, the Pastor of Buchenwald. A Free Translation of the Story Told by His Widow, with Many Quotations from His Diary and Letters, by E.H. Robertson. With a Portrait. Gretel SCHNEIDER, Edwin Hanton Robertson, Paul SCHNEIDER (Pastor of Hochelheim.), 1956 [Preaching to Nazi Germany](#) William Skiles, 2023-09-05 Preaching to Nazi Germany explores the history of Confessing Church preachers engagement with the Nazi regime through an analysis of their sermons William Skiles argues that clergy expressed various messages that aimed to limit Nazi interference in church affairs and at times even to undermine the Nazi state and its leaders and policies Skiles demonstrates that pastors had limited freedom to publicly criticize the Nazi regime its leaders and its ideology and that pastors often used Christian symbols to code their criticisms to remain inconspicuous to the Gestapo or Nazi informants This book demonstrates how pastors used a sacred text and applied it to the problems of the churches in Nazi Germany

The Paradox of Holiness; Faith in Search of Obedience Donald G. Bloesch, 2022-05-03 Within these pages are the last two previously unpublished works from notable American evangelical theologian Donald G Bloesch In his spiritual autobiography Faith in Search of Obedience Bloesch describes the foundation upon which own theology is based namely a faith in search of obedience This honest and challenging work reveals and reminds how we are justified by faith alone but that faith drives us to obey and delight in God s law as we strive to perfect love through the Gospel of Jesus Christ The Paradox of Holiness presents the theology of spiritual life as it is shaped and defined by the Word of God Through this theological exposition Bloesch presents and explores the paradox that exists in the pursuit of holiness for those who believe For the theologian pastor or lay person who is seeking to combine Word and Spirit doctrine and life into an active theology this two in one volume by Donald Bloesch provides an honest and sober account of the challenges that may arise throughout the Christian pilgrimage while pointing toward the hope encouragement and new life that comes through the triumph of Christ on the cross

The Persecution of Christians Concerns Us All Thomas Schirrmacher, 2018-05-10 In this situation I can highly recommend Dr Thomas Schirrmacher s new book It gives a clear and logical insight in many of the questions even people who consider themselves nonreligious people now ask It can best be read with an open Bible and some open daily newspaper It will give a surprisingly new insight into what it means to live in a time like this From the preface by the Very Rev Johan Candelin Director of the Religious Liberty Commission of the World Evangelical Alliance Suffering comes in many forms but the one that Scripture tells all Christians to expect is persecution for one s faith As Thomas Schirrmacher s theological study will demonstrate the Bible has a tremendous amount to teach us about persecution Without a Biblical understanding we are unlikely to fully grasp the nature of the spiritual battle I am delighted therefore that his book puts the Bible s teaching on persecution centre stage Preface by Julia Doxat Purser Socio Political Representative the WEA represents churches with 600 million members altogether He also is a member of the board of the International Society for Human Rights Schirrmacher
