Opening The Invitation:

Opening The Invitation Oriah,2004-04-27 A beautiful presentation of Oriah s signature prose poem preceded by a chapter relating the full life story behind the poem and then followed by a chapter on the life of the poem and its remarkable effect on people s lives including her own The prose poem The Invitation was originally passed from reader to reader over the internet and hand to hand it was these readers who helped make the book a best seller This small beautifully presented book incorporating the poem and two short additional new chapters by Oriah gives old and new readers the beloved poem in a fresh way as a gift for others or oneself The often moving and sometimes funny chapters give a fresh full account of how the poem came to be and then discuss the life of the poem after it was written and circulated to so many readers via the internet photocopies and eventually the full book The Invitation Artwork will accompany each paragraph of the poem
