From the Foreword by Grant Wiggins We now know we can get increased participation with online tools to make thinking more visible and switch the traditional delivery of instruction to personalize learning While it is inevitable that online learning will become an important skill for everyone the ideas concepts strategies design elements and tools in the book by Thormann and Zimmerman can also be applied to blended learning

Alan November Senior Partner and Founder November Learning The authors of this book have created an excellent resource for anyone interested in becoming an online instructor or improving his or her skills in online teaching The authors share a wealth of step by step

activities examples of assignments and teaching strategies that will guide both novice and experienced teachers as they expand their skills into the online realm Even as a veteran online instructor the book provided me with new ideas to try in my next online class Sam Gladstein Coordinator Edmonds eLearning Program at Edmonds School District WA Cheers to Thormann and Zimmerman for providing a must read for online teaching This clear and practical guide takes the instructor from design to implementation of online courses The authors remove the anxiety about online teaching for those thinking about on screen instruction and provide new thinking and examples for those already immersed in it It is a great guide for those entering the field and a superb resource for those actively engaged in it Anthony J Bent Chairman Global Studies 21st Century Skills Committee of the Massachusetts Association of School Superintendents Book Features The building blocks necessary to create a successful online course The know how of long time online instructors Models for Skype conferencing with groups of students Templates for course building including sample assignments activities assessments and emails Detailed treatment of diversity in the online environment Joan Thormann is professor in the division of Technology in Education at Lesley University Cambridge Massachusetts She edits a column on technology and special needs for Learning and Leading with Technology Isa Kaftal Zimmerman is the principal of IKZ Advisors in Boston Massachusetts an educational consulting firm serving educators and stakeholders in the Science Technology Engineering and Mathematics STEM fields

How to Create an Online Course Alexander Gray,2020-10-29 Can you imagine your neighbor s face when he ll see you climbing onto your Porsche in the morning to drive to the Golf Club while he has to go to work Because tonight you made money while you slept by selling your online course without even lifting a finger Are you looking for a great way to generate more income without having to take on another job Are you looking for a great way to share your knowledge with others while making some extra cash Are you looking for a great way to make some passive income thereby allowing you to become financially independent Are you looking for a great way to improve your overall financial situation without having to work even more hours If you can relate to any of these questions then this is the book for you In this volume we are going to explore the world of online courses If you have been thinking about starting your own course but aren t sure where to begin we have the answers you have been looking for We are going to be talking about how you can start your very first online course from scratch The best part of all is that you don t need any specialized knowledge to do it In this book we ll unveil everything you need to know to make your plans a reality Here s a quick peek of what you can expect to learn in this book How to choose the right topic for your course How to develop your own content in an easy manner How to use various types of media to enhance the learning experience How to create engaging content that keeps learners coming back How to create engaging content that keeps learners coming back How to produce quality text materials without having to write a full coursebook How to use your knowledge and experience to produce a quality value proposition How to select the right course content so that your course is fun and informative How to pace your course so that learners are encouraged to finish it all the

way through to the end How to choose the best way to publish your course without having to break the bank How to price your course effectively so that you can make real money plus much much more So don't wait another moment The longer you wait the longer it will take you to reach your goals of financial independence With a successful online course you can generate a revenue stream for years to come All you need is to invest some time and effort now Then you can sit back and admire your creation as subscribers come rolling in Best of all it's far easier than you think So if you are ready to take the plunge then take a good hard look at this book Herein you will find everything you need to know to get started on the most profitable journey of your life The amazing part is that you can create many more courses Eventually you'll reach the lifestyle that you have always wanted If that sounds like a fantasy to you now then you really need to read this book Find out how you can make all your dreams come true You already have everything you need to be successful The time to get started has come

Launch Your Online Course Successfully Linda Pretorius, 2021-02-25 Many people are moving over to online courses and remote learning to grow their intellect and to help them in their education According to Suddenly Online an online survey found that almost half of college students had never taken an online course prior to the pandemic in 2020 Over the last 6 months though the use of online courses has increased by 57% since all universities transitioned to remote learning during the Spring 2020 semester Even as the pandemic settles down though it is expected that the prominence of online learning will remain This is a shocking increase in online learning that proves the importance of online course options in the modern world Creating Online Courses is Profitable On top of the numerous benefits for students that come with online learning creating online courses can have great benefits for the creators too The reason for this is that online course creators can charge for their courses resulting in an increased income In fact most online course creators make anywhere from 1 000 to 5 000 a month and some even make more than that Anyone can create a course no matter what niche you are in or expertise you have There are courses on building better habits to becoming a better hockey player Courses on getting out of toxic relationships or recovering from hurt or pain Even courses on how to do certain things to save more time like house cleaning with less hassle Unfortunately creating an online course can be difficult if you have never done so before As a result many people are deterred from creating their own courses Why Most Fail Trying To Create an Online Course The reason that many people find creating an online course difficult is that it requires some technical know how There are a lot of moving pieces when it comes to creating an online course You must be able to research topics use course platforms create lessons upload lessons and videos use video editing software and utilize email marketing and social media For people unfamiliar with this sort of work the thought of creating an online course can be stressful Thus they are discouraged from tackling the project of creating an online course I've Got The Solution For You Knowing the best online tools and marketing techniques are the keys to creating a financially successful online course Many people assume that they have to be well versed in technology before starting the project which causes them to put off creating their online courses But that is simply not true In contrast anyone

from a beginner to an experienced marketer can create a successful online course You just have to know the best beginner friendly tools to help you get started Once you discover these tools and tips you will be able to create your online course in no time Very few people know about these beginner friendly tools and tips though which is why we have created this detailed and informative guide about launching your online course With this guide you will gain key insights on course design creation editing and launching Allow me to introduce to you LAUNCH YOUR ONLINE COURSE Is a step by step guide that helps you turn your knowledge passion and skills into online courses to reach more people and create passive income Who this book is not for If your primary purpose to create online courses is just to make money then this book is not for you In this book I m teaching you different ways of presenting your online course but you are going to be part of your students all the time and every step of the way Your course becomes your business and if your primary purpose is not helping people then this book is not for you People before profits
