No Forwarding Address:

No Forwarding Address Paddy Stewart, 2013-02-12 *No Forwarding Address* tells a story in the life of Reynaldo Garcia a sixteen year old boy who is confined in a drug treatment center The story involves his treatment his adjustment to the facility and his interactions with other patients there In contrast to the other patients he likes the facility It provides the most stable environment and most caring people he s ever known But it is difficult for him to adjust because of the bad influences that still control his life [Left No Forwarding Address \(for fans of David Baldacci, James Patterson and Michael Connelly\)](#)

Gerald J. Davis, 2011-08-03 Have you ever wished you could start over That you could leave everything and everyone behind and find a new life Our narrator takes that risk He leaves a weary dull anesthetized existence abandons his family and sets out to live as an explorer in the jungle that is called New York City in the long shot hope of finding contentment He changes his appearance and takes a new identity but he is not prepared for the obstacles he encounters and the enemies who surround him He descends into a world where you write the rules as you go along and where there are no dental plans no alimony and no frequent flier miles Join him as he embarks on a journey of self discovery with an uncertain outcome
