*Language Is Music* Susanna Zaraysky, 2009. *Language is Music* focuses on making learning foreign languages fun, easy, and affordable for anyone with a desire to communicate effectively with people around the world. By applying over 100 simple tips to things you already do, such as listening to music or surfing the Web, you can experience the joy of fluency in any language without having to study abroad or spend money on private tutors. In *Language is Music*, Susanna Zaraysky masterfully shares her listening methods so that anyone can have fun learning any language. With over 100 tips and 100 free or low-cost Internet resources, you will learn how to use daily activities such as watching TV or listening to music, conversation partners, and attendance at cultural events to become a masterful speaker of any tongue. Learning foreign languages is like learning to sing a song or play music, says self-made linguist Susanna Zaraysky, and author of *Language is Music*. Zaraysky has what you might call an ear for languages, having used music to successfully learn English, Russian, French, Spanish, Italian, Portuguese, and Serbo-Croatian, all with excellent accents. Advance Praise for *Language is Music*: I love it! I think it will help people who want to learn and those who are curious about additional language learning. Many people want to learn a language but are frightened or disappointed by the courses they have taken. Reading *Language is Music* will encourage them to try again on their own and with friendly supporters. Dr. Elba Maldonado Colon, Professor, Department of Elementary Education, Bilingual Program, San Jose State University.

**LET IT JUST ROLL OFF YOUR TONGUE** With lyrical insight and solid experience, Susanna Zaraysky, author of *Language is Music*, provides easy steps for learning a language. Gone are the boring, disconnected strategies that most of us remember from school. You've never learned a language this quickly and easily. Zaraysky's methods embody fun, connection, rhythm, and above all, music. Suzanne Lettrick, M.Ed., Educator and Founder of The Global Education and Action Network. Forget dictionaries and phrase books. Susanna Zaraysky's easy-to-use guide to language learning is indispensable for any serious language learner wanting to become fluent, not just conversationally proficient in another language. *Language is Music* will teach you how to make language acquisition a part of your daily life and to recreate the kind of total immersion environment necessary for fluency. Highly recommended reading for aspiring polyglots. Pick up this book.

**How to Really Learn a Language** Jeff Martin, 2018-06-30 Where are all the bilinguals Have you ever felt like you are not good at learning foreign languages Have you invested time and money into classes courses or mobile apps yet with little success You're not alone There are millions of people out there just like you They believe that some people are simply gifted at learning languages while the rest are destined to struggle Allow me to change your mind if you will I'm a master certified Spanish court interpreter with no college degree I've never lived in a foreign country but I've managed to become fluent in several languages and I didn't start learning foreign languages until I was an adult I've been a polyglot for many years and I've only met a handful of people ever that can do what I do However I've met hundreds and hundreds of people who have taken foreign language classes and or have bought language courses that have never truly learned a foreign language My mission is to change that I've spent the last eleven years writing a book just for you My philosophy is simple Language learning is something that we naturally do at first with our native language yet becomes a mystery when we approach learning a second one In my opinion it shouldn't be a mystery at all We learned our first language so naturally and flawlessly so it should be easier to learn a second one Yet because of the approach we take most people never become fluent in a second language My goal is to open up the eyes of the world to see that everything we need to know about learning foreign languages is already within us in our experience that we gained from learning our first language In my book you will learn Why courses and current methods are mostly ineffective How to approach language learning in a natural way How to sound like a native speaker How to learn multiple languages if so desired Ultimately how to find the language master within yourself *How To Learn a Foreign Language* HowExpert, 2011-01-20 If you want to learn any foreign language quickly and
