You re lucky he didn t have an ice pick in his hands I know how this guy performs Mobster Paul Volpe speaking about a
Buffalo mafia enforcer named Cicci Canada is lauded the world over as a law abiding peaceful country a shining example to
all nations Such a view also shared by most Canadians is typically na ve and misinformed Throughout its history to present
day and beyond Canada has been and will continue to be home to criminals and crime organizations that are brilliant at
finding ways to make money a lot of money illegally Iced The Story of Organized Crime in Canada is a remarkable parallel
history to the one generally accepted and taught in our schools Organized crime has had a significant impact on the shaping
of this country and the lives of its people The most violent and thuggish outlaw motorcycle gangs like Hells Angels have been
raised to mythic proportions The families who owned distilleries during Prohibition such as the Bronfmans built vast fortunes
that today are vested in corporate holdings The mafia in Montreal created and controlled the largest heroin and cocaine
smuggling empire in the world feeding the insatiable appetite of our American neighbours Today gangs are laying waste the
streets of Vancouver and BC bud flows into the U S as the marijuana of choice Organized crime is as old as this nation s
founding with pirates ravaging the east coast even as hired guns by colonial governments Since our nation s earliest times
government and crime groups have found that collusion can have its mutual benefits Comprehensive informative and
entertaining as you will discover in the remarkable period pieces devised by the author and the illustrations commissioned
specially for this book Iced is a romp across the nation and across the centuries In these pages you will meet crime groups
that are at once sordid and inept yet resourceful entrepreneurs and self proclaimed champions of the underdog who operate
in full sight of their communities and the law This is the definitive book on organized crime in Canada and a unique
contribution to our understanding of Canadian history **Ontario History** ,1923 *Newsletter of the National Association*
and Center for Outlaw and Lawman History ,1989 *Michigan History* George Newman Fuller,Lewis Beeson,1928
