On Death Without Dignity:

On Death without Dignity David Moller, 2018-10-26 Candidly written On Death Without Dignity The Human Impact of Technological Dying attempts to re humanize the inevitable biological occurrence called dying It is Moller s view that through the advancement of medicalized technology has come the demise of the contemporary dying process The oncological death is reflected as failure in the part of modern medicine the physician and the hospital yet the patient experiences alienation stigma helplessness and normlessness Yet as a culture the current societal approach to the dying silent avoidance only adds to this alienation Society has failed to provide the necessary rules for this universal social and biological event
