**On Fire** Naomi Klein, 2020-09-01 1 New York Times and internationally bestselling author Naomi Klein makes the case for a Green New Deal in this keenly argued well researched and impassioned manifesto The Washington Post An instant bestseller On Fire shows Klein at her most prophetic and philosophical investigating the climate crisis not only as a profound political challenge but also as a spiritual and imaginative one Delving into topics ranging from the clash between ecological time and our culture of perpetual now to the soaring history of humans changing and evolving rapidly in the face of grave threats to rising white supremacy and fortified borders as a form of climate barbarism this is a rousing call to action for a planet on the brink An expansive far ranging exploration that sees the battle for a greener world as indistinguishable from the fight for our lives On Fire captures the burning urgency of the climate crisis as well as the fiery energy of a rising political movement demanding a catalytic Green New Deal Naomi Klein's work has always moved and guided me She is the great chronicler of our age of climate emergency an inspirer of generations Greta Thunberg climate activist If I were a rich man I'd buy 245 million copies of Naomi Klein's On Fire and hand deliver them to every eligible voter in America Klein is a skilled writer Jeff Goodell The New York Times

Light on Fire Aedamar Kirrane, 2021-01-26 A book of modern mysticism about rediscovering the true meaning of faith and how to reclaim our spiritual wisdom Light on Fire is the soulful exploration of one woman's journey to awakening and becoming a modern day Christian mystic It's a compassionate guide that will support others on the path to awakening by offering new insights and practical guidance on how to reconnect with our innate spirituality In her search to understand her own spontaneous awakening Aedamar discovered that awakening is a natural life process from which we have become estranged In beautifully poetic language and through accessible philosophy Aedamar shares how and why we are designed to wake up and to experience Divine Union in the ordinary course of life Waking up is what is now needed to heal ourselves and the deeply rooted traumas of Western society Light on Fire concludes with The Path of Gold Aedamar's seven stage guide to awakening that offers a model for rediscovering Divine Love in everyday life It helps us to reconnect with our spiritual wisdom which is critical as we enter a new era that uniquely calls us to mysticism
