

On Rawls

Samuel Freeman Stephen F. Goldstone
Term Professor of Philosophy and Law
University of Pennsylvania

On Rawls:

Reflections on Rawls Dr Shaun P Young, 2012-10-01 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls's political theorizing from his earliest published writings in the 1950s to his final publication in 2001 *Justice as Fairness A Restatement* and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy

The Idea of a Political Liberalism Clark Wolf, Victoria Davion, 1999-12-22 In this unique volume some of today's most eminent political philosophers examine the thought of John Rawls focusing in particular on his most recent work These original essays explore diverse issues including the problem of pluralism the relationship between constitutive commitment and liberal institutions just treatment of dissident minorities the constitutional implications of liberalism international relations and the structure of international law The first comprehensive study of Rawls's recent work *The Idea of Political Liberalism* will be indispensable for political philosophers and theorists interested in contemporary political thought

Reading Rawls Norman Daniels, 1989 First published in 1975 this collection includes many of the best critical responses to John Rawls *A Theory of Justice* and the editor has elected to reissue the book without making any substitutions As he argues in his new preface the variety of issues raised in the original papers has been a major part of the book's appeal He also acknowledges that no modest revision of this book could pretend to respond adequately to the considerable elaboration and evolution of Rawls theory in the last fifteen years Political philosophy has been one of the most exciting areas of philosophical activity in the years since *A Theory of Justice* and much of that activity has been a response to Rawls work In his preface the editor suggests how some of the insights and criticisms contained in the collection have had a bearing on developments in Rawls theory and in political philosophy more generally and that fresh reading of each of them reveals additional important points that have not yet received adequate attention The contributors are Benjamin Barber Norman Daniels Gerald Dworkin Ronald Dworkin Joel Feinberg Milton Fisk R M Hare H L A Hart David Lyons Frank Michelman Richard Miller Thomas Nagel T M Scanlon and A K Sen

John Rawls Thomas Pogge, 2007-01-27 John Rawls was one of the most important political philosophers of our time and promises to be an enduring figure over the coming decades His *Theory of Justice* 1971 has had a profound impact across philosophy politics law and economics Nonetheless Rawlsian theory is not easy to understand particularly for beginners and his writing can be dense

and forbidding Thomas Pogge's short introduction originally published in German gives a thorough and concise presentation of the main outlines of Rawls's theory introduces biographical information when necessary and draws links between the Rawlsian enterprise and other important positions in moral and political philosophy

On Rawls Robert B. Talisse, 2001 This brief text assists students in understanding Rawls philosophy and thinking so they can more fully engage in useful intelligent class dialogue and improve their understanding of course content Part of the Wadsworth Notes Series which will eventually consist of approximately 100 titles each focusing on a single thinker from ancient times to the present ON RAWLS is written by a philosopher deeply versed in the philosophy of this key thinker Like other books in the series this concise book offers sufficient insight into the thinking of a notable philosopher better enabling students to engage in reading and to discuss the material in class and on paper

Reflections on Rawls Shaun P. Young, 2016-04-08 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls's political theorizing from his earliest published writings in the 1950s to his final publication in 2001 Justice as Fairness A Restatement and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy

A Companion to Rawls Jon Mandle, David A. Reidy, 2015-11-23 Wide ranging and up to date this is the single most comprehensive treatment of the most influential political philosopher of the 20th century John Rawls An unprecedented survey that reflects the surge of Rawls scholarship since his death and the lively debates that have emerged from his work Features an outstanding list of contributors including senior as well as next generation Rawls scholars Provides careful textually informed exegesis and well developed critical commentary across all areas of his work including non Rawlsian perspectives Includes discussion of new material covering Rawls's work from the newly published undergraduate thesis to the final writings on public reason and the law of peoples Covers Rawls's moral and political philosophy his distinctive methodological commitments and his relationships to the history of moral and political philosophy and to jurisprudence and the social sciences Includes discussion of his monumental 1971 book A Theory of Justice which is often credited as having revitalized political philosophy

Justice and the Social Contract : Essays on Rawlsian Political Philosophy Samuel Freeman
Stephen F. Goldstone Term Professor of Philosophy and Law University of Pennsylvania, 2006-11-09 John Rawls 1921 2002 was one of the 20th century's most important philosophers and continues to be among the most widely discussed of

contemporary thinkers His work particularly A Theory of Justice is integral to discussions of social and international justice democracy liberalism welfare economics and constitutional law in departments of philosophy politics economics law public policy and others Samuel Freeman is one of Rawls s foremost interpreters This volume contains nine of his essays on Rawls and Rawlsian justice two of which are previously unpublished Freeman places Rawls within historical context in the social contract tradition addresses criticisms of his positions and discusses the implications of his views on issues of distributive justice liberalism and democracy international justice and other subjects This collection will be useful to the wide range of scholars interested in Rawls and theories of justice

Rawls Sebastiano Maffettone,2010 The most complete introduction to the work of John Rawls The literature on Rawls and his main arguments are presented in an unprecedented way An indispensable tool for teachers and students This book is necessary reading for anyone interested in contemporary political thought

Justice and the Social Contract Samuel Freeman,2007 Pt I A theory of justice Reason and agreement in social contract views Utilitarianism deontology and the priority of right Consequentialism publicity stability and property owning democracy Rawls and luck egalitarianism Congruence and the good of justice pt II Political liberalism Political Liberalism and the possibility of a just democratic constitution Public reason and political justification pt III The law of peoples The law of peoples social cooperation human rights and distributive justice Distributive justice and the law of peoples

The Legacy of John Rawls Thom Brooks,Fabian Freyenhagen,2005-09-08 John Rawls was unquestionably the most important moral and political philosopher of the last one hundred years His A Theory of Justice published in 1971 is already a classic text and his political philosophy is more widely studied than that of any other theorist Interest in Rawls s work has increased still further since his recent death and the publication of his complete works but until now there has been no single volume that explores the legacy of his work This book fills the void making a substantial contribution not only to work on Rawls s thought but to contemporary debates in ethics and justice as well The book will be of great interest to academics and students in philosophy politics and law departments alike

Rawls Samuel Freeman,2007-05-23 In this superb introduction Samuel Freeman introduces and assesses the main topics of Rawls philosophy Starting with a brief biography and charting the influences on Rawls early thinking he goes on to discuss the heart of Rawls s philosophy his principles of justice and their practical application to society Subsequent chapters discuss Rawls s theories of liberty political and economic justice democratic institutions goodness as rationality moral psychology political liberalism and international justice and a concluding chapter considers Rawls legacy Clearly setting out the ideas in Rawls masterwork A Theory of Justice Samuel Freeman also considers Rawls other key works including Political Liberalism and The Law of Peoples An invaluable introduction to this deeply influential philosopher Rawls is essential reading for anyone coming to his work for the first time

A Law of Peoples for Recognizing States Chris Naticchia,2016-11-02 Which political entities should the international community recognize as member states granting them the rights and powers of statehood and entitling them to participate in

formulating adjudicating and implementing international law What criteria should it use and are those criteria defensible From Kosovo Palestine and Taiwan to South Sudan Scotland South Ossetia Abkhazia and Catalonia these questions continuously arise and constantly challenge the international community for a consistent principled stance In response to this challenge Chris Naticchia offers a social contract argument for a theory of international recognition a normative theory of the criteria that states and international bodies should use to recognize political entities as member states of the international community Regardless of whether political entities adequately respect human rights or practice democracy he argues we must recognize a critical mass of them to get international institutions working Then we should recognize secessionist entities that suffer from persistent grave and widespread human rights abuses by their government and under certain conditions minority nations within multinational states that seek independence We must also recognize entities whose recognition would contribute to the economic development of the least well off entities Drawing on the social contract tradition and developing a broadly Rawlsian view *A Law of Peoples for Recognizing States* will both challenge and appeal to a broad readership in political philosophy international law and international relations *John Rawls* Catherine Audard, 2014-12-05 John Rawls 1921 2002 is one of the most influential thinkers of the twentieth century Contemporary political philosophy has been reshaped by his seminal ideas and most current work in the discipline is a response to them This book introduces his central ideas and examines their contribution to contemporary political thought In the first part of the book Catherine Audard focuses on Rawls conception of political and social justice and its justification as presented in his groundbreaking *A Theory of Justice* This includes sustained examination of Rawls moral philosophy and its core thesis the primacy of justice the complex relation between Rawls views and utilitarianism and his most famous concept the Original Position Device In the second half of the book Audard explores Rawls more practical concerns for stability and political consensus citizenship and international justice and shows the continuity between these concerns and his earlier work Throughout Audard contextualizes Rawls ideas by giving a sense of their historical development which underlines the intellectual cohesion of his thought The move between ethics and politics so characteristic of Rawls work and which makes for the richness of his philosophy is shown to also create for it significant problems John Rawls combines clear exposition with insightful analysis and provides an interpretative and critical framework that will help shape ongoing debates surrounding Rawls work [John Rawls](#) Patrick Hayden, 2002 A critical study of the work of an influential political theorist and philosopher reflecting his substantial contribution to debates on international justice and human rights [Report of Cases Decided in the Supreme Court of the State of Georgia](#) Georgia. Supreme Court, 1907 **John Rawls and the History of Political Thought** Jeffrey Bercuson, 2014-05-16 In this book Jeffrey Bercuson presents the immense and yet for the most part unrecognized influences of Jean Jacques Rousseau and Georg Wilhelm Friedrich Hegel on John Rawls the most important political philosopher of the 20th century While the well documented influence of Immanuel Kant on Rawls is deep

and profound Kantian features and interpretation of justice as fairness do not tell the whole story about that doctrine Drawing on Rawls s Lectures on the History of Moral Philosophy and his Lectures on the History of Political Philosophy Bercuson presents the reader with a more nuanced accurate account of the moral and political philosophy of Rawls in light of these under appreciated influences This new richer image of Rawls s political philosophy shows that Rawls s notion of reasonableness his notion of the kind and extent of our obligations to those fellows with whom we are engaged in social cooperation is conspicuously more demanding and therefore more attractive than most interpreters and critics assume Rawls turns to Rousseau and to Hegel both of whom provide attractive images of engaged citizenship worthy of emulation Written accessibly and contributing to key contemporary debates of global justice this book will be read by scholars within the fields of social and political theory ethics and philosophy On Rawls, Development and Global Justice H. Williams,2011-03-08

John Rawls text *The Law of Peoples* has inspired extensive scholarly debate in the field of international political theory since its publication in 1999 Responding to the arguments of cosmopolitan theorists and Amartya Sen s recent critique this new work presents a fresh appraisal of the debate and argues that Rawls offers a persuasive and prescient moral perspective on issues of global poverty and development By elaborating one of Rawls core ideas the duty of assistance the book offers a unique theoretical response to the ideal of global justice The duty is presented as a far reaching principle of justice one that advocates increasing the state capability of burdened societies and aims to compel the most powerful states to reform international structures and provide aid in a constructive and culturally sensitive manner The aim of assistance is the strengthening of democratic or decent indigenous institutions and the promotion of the freedom of peoples On Rawls Development and Global Justice is an original contribution to current debates on international redistribution democracy promotion and global poverty

John Rawls and His Critics J. H. Wellbank,Denis Snook,David T. Mason,1982 *Reports of Cases Argued and Determined in the Supreme Court of South Carolina* South Carolina. Supreme Court,Elihu Hall Bay,1917

On Rawls Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free On Rawls PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free On Rawls PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the

availability of On Rawls free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
