17 Laws of Nature: Life Lessons Through Natures Lens Maurice Huff, 2021-10-13 At some point in life we all have had questions and concerns about life and its meaning Why are we

all here on this planet we call earth How can we make the most of it What are we here to learn What if the answers to all the questions about yourself and life in general have been right in front of you behind you and all around you your whole life All you had to do was to be still and listen a little closer look a little deeper touch taste and smell as you fully experience the natural world in all her beauty and splendor The lessons of the wise masters and the mysteries of the ancients can all be found in nature
