## On James:

**The Letter of James** Luke Timothy Johnson, 1995 James is one of the most significant yet generally overlooked letters of the New Testament Because Martin Luther leader of the Protestant Reformation disliked the book of James for its emphasis on good deeds the book has come to be viewed in opposition to Paul s letters which emphasize faith in God To correct these and other misperceptions about James Scripture scholar Luke Timothy Johnson embarks on a thorough history of the interpretation of this pivotal letter which highlights the vast appreciation for James over the centuries With respect to the question of who wrote the letter of James Johnson boldly identifies the writer as none other than James the brother of Jesus Christ While modern skepticism casts doubt on this conclusion early textual witnesses as well as saints and scholars throughout the centuries corroborate Johnson s position A thorough examination of the original language texts and an explanation of the literary context of James helps illuminate the original meaning of the letter In addition Johnson offers the general reader insights into the letter s relevance for today [The Message of James](#) J. Alec Motyer, 2021-06-15 The apostle James addressed his readers directly and pointedly using vivid images from ordinary life and attention gripping statements In this revised BST volume J Alec Motyer s rich exposition brings James s letter to life for today s readers drawing out

*A Commentary on James* David Pawson, 2015-02-14 Common sense is not all that common especially in its sanctified form But the letter of James to the dispersed Messianic believers of his day is full of it Sceptical about his half brother Jesus before his death he became his devoted slave after his resurrection No wonder he led the Jerusalem church through its major crisis Though he wrote in excellent Greek he thought like a Hebrew sage in circular rather than linear fashion as in the book of Proverbs returning repeatedly to such basic topics as wealth prayer and speech His favourite words are the verb do and the noun doer So faith is something to be done not just thought or felt Without being acted upon it is dead It cannot save Like love it must work This emphasis on faith works is not contradictory to Paul s censure on law works but a vital and complementary balance to the New Testament concept of faith

*The Letter of James* Douglas J. Moo, 2021-06-15 Few New Testament books have been as controversial and misunderstood as the letter of James Its place in the canon was contested by some early Christians and the reformer Martin Luther called it an epistle of straw The sometimes negative view of the letter among modern theologians however is not shared by ordinary believers Well known and often quoted James is concise intensely practical and filled with memorable metaphors and illustrations As such it has become one of the most popular New Testament books in the church This highly original commentary on James by respected New Testament scholar Douglas Moo combines penetrating scholarship with the simplicity of style and pastoral tone characteristic of James itself After discussing such background issues as authorship genre purpose structure and theology Moo provides a verse by verse exposition of the text that leads readers to the heart of James s message wholehearted commitment to Christ In addition to expounding the meaning of James Moo also takes care to provide practical insights for applying that meaning in the church today At once scholarly and accessible this volume has become a standard commentary on James The second edition is based upon the newest version of the NIV and incorporates the latest scholarship It has been expanded updated and revised throughout

Christian walk not next week not tomorrow but today by studying The Book of James [A Commentary on the Epistle of James, Chapter One](#) James Lee,2013-07-22 The second edition of this book has been written to clean up some of the poorly worded text in the first edition and to show important Bible verses rather than just refer to them In looking at the first chapter of the epistle of James this book considers authorship the date that the epistle was written and the basis for its acceptance into the biblical canon With a strong focus on the Greek language the goal has been to perform good exegesis on the original text Among the topics examined are enduring temptation receiving a crown of life living one's faith everyday and recognizing pure and undefiled religion James taught in verse five that a person can ask God for wisdom to overcome their trials tribulations and tempting experiences He taught in verse twelve that a crown of life awaits those saints who endure their temptations In verses thirteen through fifteen he taught that our own lustful nature often gives birth to the sins that ensnare us He taught in verses eighteen through twenty three that we are born of God and that His Word has been placed within us by the indwelling of the Holy Spirit We will sometimes fail But if we have received Christ as our personal Savior then we still always have the constant companionship of the Comforter to guide us Therefore as James would say let us always practice the wise teachings of Scriptures and hold fast to our Faith in Christ our risen Savior In verse twenty seven he concluded chapter one by encouraging the beloved brethren to have a watchful eye towards helping those around them in need and by doing their best to live right Temptations come But by the grace of God we can live for Him through all of them each and every day of our life To God be the glory for those things that He has done in the hearts and lives of those that trust Him

**Commentary on James** Charles Spurgeon,2014-04-01 Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers But in addition to his sermons he regularly reading a Bible passage before his message and gave a verse by verse exposition rich in gospel insight and wisdom for the Christian life Sample James 1 1 4 1 James a servant of God and of the Lord Jesus Christ He was an apostle and he was the Lord's brother yet he mentions not these greater things but he takes the lowly title in which no doubt he felt the highest honor and calls himself a servant of God and of the Lord Jesus Christ Happy is that man who serves the Lord whose whole life is not that of an independent master of himself but of one who is fully submissive to the divine command To the twelve tribes which are scattered abroad greeting According to the teaching of some in the present day the apostle should have said To the two tribes and the ten that are lost but he does not say so nor does Scripture say so To the twelve tribes which are scattered abroad greeting 2 My brethren count it all joy when ye fall into divers temptations Or trials This is a strange thing to say is it not Should we not count it great joy when we escape from trial Perhaps so but we are expressly told to count or reckon it all joy when we fall into divers trials Have you never known what it is in times of peace and quietness to feel as if you missed the grandeur of the presence

of God I have looked back to times of trial with a kind of longing not to have them return but to feel the strength of God as I have felt it then to feel the power of faith as I have felt it then to hang upon God's powerful arm as I hung upon it then and to see God at work as I saw him then I think the mariner at home must sometimes feel a kind of longing once more to enjoy a storm on the ocean and to see how the good ship rides on the billows' crest Life gets fiat sometimes while all goes smoothly and we need even the variety of a trial to bring us to close dealing with our God It is so much for our good to be tried it is so much for the glory of God that we should be tried that we will read the verse again and note what the apostle says My brethren count it all joy when ye fall into divers trials Be like the soldier who is not afraid of the shot and shell and the turmoil and strife of the battle 3 4 Knowing this that the trying of your faith worketh patience But let patience have her perfect work that ye may be perfect and entire wanting nothing You need to grow you will not grow without trials You need to learn you will not learn without affliction It is God's school for you Be thankful therefore when these afflictions come They are the rumbling waggons of your Father in which he sends you choice treasure They are black ships that come from afar loaded with precious things But mind that you do get this patience and that when you have it you have still more of it Let patience have her perfect work
