too familiar with the dichotomy between being a Mary sitting at Jesus feet and being a Martha being active in ministry We have been told that before we can do we first need to be And this is well and good But it is insufficient Before we can be we first need to know We need to know who God is God s attributes so that we can then be who we are intended to be in Christ Only then should we seek to do what he has called and equipped us to do for his glory This book focuses on knowing God in his many attributes so that we can become conformed to his image in order to do what he s called us to do to bring the

What Is the Point of Knowing God? Reynaldo R.

Budhi,2018-11-29 This book was written in my attempt to open the eyes of readers whose knowledge and understanding of God has been twisted and lied by the demagogues for so long When it comes to faith and how it is practiced readers should learn that people yesterday are no different from most people today The only difference is the sophistication of current methods compared to what they have in the past Giving example of this reality is by dissecting the elements of the Ten Commandments You will note that man s flaws yesterday as described in the Bible reflect the same flaws of our man today We have to accept that man has been the same since the beginning of time However we cannot blame humanity for what they have been made to believe Early thinkers who are Jews started the idea of one God based on signs predictions observations miracles and assumptions They become successful in convincing the world that they have the first hand knowledge of God and people should listen to them Their orientation was formulated based on faith with little logic of science People are generally unacquainted by predatory preaching ignorant and vulnerable to the influence of more advance demagogues People are ambushed by strong rhetoric which the demagogues always have the upper hand It is fair to say that they are led wrongly exacerbated by ignorance and simply taken advantage of that vulnerability Let me conclude by saying that nobody can really understand the true nature of God We simply have a hint of him but we can uphold his power and benevolence by following the natural laws he imbedded in all of us With that the true love and salvation we can offer him is upholding the golden rule Do to others as you would have them to you Luke 6 31 So help us God

Formation for Knowing God F. Gerald Downing,2015-04-29 God is Self Revealed we are assured by many Christians today Yet this conviction stems only from eighteenth century Enlightenment debates Early and ongoing Christians with their Jewish roots trusted God as a committed and saving but heavily clouded presence whether by God s choice or our inadequacy or both Continuing Christian tradition has thus insisted that there is much more to this God than we can hope to get our heads round Yet such Christians have trusted that this loving saving triune God s purpose is to transform us Godward The divine Word became as we are so we might become as he is Meanwhile some of us at least can find ourselves drawn to share with our predecessors and one another in imagining how this may be And then we may be drawn to realize in practice what we imagine in active service to God among fellow humans and all God s fragile creation Then we may hope we may have been brought to know God more nearly as God is Gerald Downing first argued this fifty years ago and here he restates the issues with fresh insights and renewed hope

Knowing Jesus Knowing God Melina Smith,2022-09-08 A fresh challenging and inspiring look at the life of Jesus following the Gospel of John Is God angry judgemental and always wanting us to be better or do more Or is he loving compassionate and pleased with us These were the questions Melina Smith found herself repeatedly confronted with as she talked to Christians about how they perceived God and how they thought he viewed them So she turned to the Bible What did it have to say about who God is In John 1 18 she found her answer No one has ever seen God but the one and only Son who is himself God and is in closest relationship with the Father has made him known NIV Through studying the life of Jesus we gain a clear understanding of what God is really like and how he feels about us Too often we allow church tradition on one end of the scale and the modern world s drive for personal improvement on the other end to color our perception of God Jesus showed

us something entirely different Within this book you ll find a compelling biblical exploration of God s attributes and gain freedom from the tyranny of trying to earn his favor *Understanding and Knowing God* Roan Rickard,2024-10-16 Though unseen and unheard the God of the Bible exists Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light God did not cause these horrors nor is He responsible for these or any other sins of man God is in fact love as John described Him Much of popular culture today reviles God based upon spiritually naive opinions What of pain suffering inequity and injustices How can we say that God is love in the face of this reality Understanding such difficult questions requires development of a spiritually informed perspective Consider if the God of the Bible exists God Almighty our creator surely He must be competent to reveal Himself to us Indeed He is competent and biblical scripture reveals God to mankind Yet God is an elegant personality and scripture is an elegant message Knowing Him and comprehending His scripture require effort The mendicant seeking God and studying scripture must yield heart and mind to renewal unlearn many biases learn new and astonishing ideas and become susceptible to God s Spirit informing retraining and transforming us Spiritual objectivity is possible This book is the product of one adult life spent tenaciously seeking God The author declares that the biblical God does exist He is understandable and knowable Life with God with God dwelling with us and within us is our greatest birthright By God s design we are all children of God As children of God we have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own This book has been written to help people everywhere cut through the philosophical theological social cultural and spiritual static of our times that they might walk with God as Enoch Abraham Moses David or Elijah walked Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name To this end bringing people into not only relationship but also spiritual intimacy with God this book was written
