## **Rape And Inequality:**

**Rape and Inequality** Julia R. Schwendinger, Herman Schwendinger, 1983-05 The authors review popular legal and scientific explanations of rape and offer a new and persuasive approach to understanding violence against women They show that rape is not common to all societies and conclude that it is linked to general levels of sexual inequality sexism and violence It is seen as a consequence of the development of capitalism In supporting their thesis the authors present material that will be of great interest to anthropologists criminologists political economists and people in women s studies This is the best book available on rape and will remain so for the foreseeable future It is inordinately well written brilliantly conceived and imaginatively researched I wholeheartedly recommend Poverty and Policy in Post-apartheid South Africa Haroon Bhorat, S. M. Ravi Kanbur, 2006 The political freedoms ushered in by the post 1994 transition were seen at that time as the basis for redressing long standing economic deprivations suffered by the majority of the population The reduction of poverty in all its dimensions was the goal The volume will be of interest to researchers graduate students and to the technical staff of international agencies and government ministries **Revealing Rape's Many Voices** Jennifer Brown, Yvonne Shell, Terri Cole, 2023-05-22 By extending the cast list of roles implicated in rape s hidden sphere of harm this book attentively listens to experiential voices of complainant witnesses suspect accused police lawyers judges and jurors therapists advocates partners parents family and friends during the criminal justice journey Highlighting good and bad practices it proposes a paradigm shift for inculcating policy reform arguing the case for implementation science as a framework for embedding change The book will be of interest to those involved in the policy practice and delivery of criminal justice the support and voluntary sector as well as giving valuable insight to students of forensic and investigative psychology criminology law social policy gender studies the new policing apprenticeship degree programmes *Sexual History Evidence And The Rape Trial* Joanne Conaghan, Yvette Russell, 2023-10-27 The use of a rape victim s sexual history as evidence attracted intense public attention after the acquittal of footballer Ched Evans in 2017 Set within the context of a criminal justice system widely perceived to be failing rape victims the use of sexual history evidence remains a flashpoint of contention around rape law reform This accessible book mounts an important interrogation into the use of a victim s sexual history as evidence in rape trials Adopting a critical multidisciplinary perspective underpinned by feminist theory the authors explore the role and significance of sexual history evidence in criminal justice responses to rape *Capitalism, Patriarchy, and Crime* James W. Messerschmidt, 1986-06-28 The book argues that capitalism as an economic system and patriarchy as a form of gender organization must be treated as interacting structures in any attempt to explain crime It begins with a socialist feminist critique of the failure of Marxist criminology to analyze gender relations and the origin of female oppression accurately and therefore how these factors contribute to the development of crime in society It then explores such topics as the limitations of both liberal and radical feminist viewpoints concerning crime the causative factors for a variety of crimes ranging from

street crime to corporate crime and the inadequacies of government's present conservative approach to crime Human Sexual Aggression R. A. Prentky, Vernon L. Quinsey, 1988

**New Perspectives on Gender Based Violence: from Research to Intervention, volume II** Shulamit Ramon, Luca Rollè, 2024-04-19 This Research Topic is the second volume of the series New Perspectives on Gender based Violence from Research to Intervention The first volume is available here Volume I The European Institute for Gender Equality and the WHO underlined that the Gender based violence GBV and the Violence Against Women VAW involves principally women but also men families and the societies in which they live The GBV and the VAW reinforce the gender inequalities which are steeped in the cultural aspects and gender roles that either support and justify it The United Nation defines VAW as any act of gender based violence that results in or is likely to result in physical sexual or mental harm or suffering to women including threats of such acts coercion or arbitrary deprivation of liberty whether occurring in public or in private life Many organizations practitioners and researchers have emphasized how GBV and VAW have increased exponentially since the outbreak of the Covid 19 Pandemic and how access to protection and advocacy services has become increasingly difficult

**Explaining Sexual Violence During Civil War** Dara Kay Cohen, 2010 *Policing Rape* Katrin Hohl, Elizabeth A. Stanko, 2024-07-05 The policing of rape is in permacrisis This book addresses the question of why police investigations continue to fail most rape victim survivors and puts forward a framework for what policing can do to change this Low conviction rates and poor victim survivor experiences are the hallmarks of the rape justice gap Three decades of research policy and legal changes have tweaked rape investigations to alleviate some of their ills however for the majority of victim survivors the process remains gruelling Police forces are notoriously resistant to reform even in the face of rapidly declining public trust The starting point of this book is the recognition that if we want profound change in policing we must try something new To do so the authors move from asking What is it about rape that makes it so difficult for police to investigate it well to asking What is it about the police that makes it so difficult for police to investigate rape well Policing Rape sets out a practice oriented theoretical framework for radically and sustainably transforming rape investigations rape prevention and the quality of officer engagement with victim survivors The authors reflect on the journey of putting this framework into practice within Operation Soteria Bluestone as a step on the path towards a radical transformation of rape policing This book is essential reading for all those looking to understand and improve the policing of rape

*Understanding Social Deviance* John Curra, 1994 **Sexual Violence on Trial** Rachel Killean, Eithne Dowds, Anne-Marie McAlinden, 2021-02-28 Sexual Violence on Trial provides a contemporary critical examination of the investigation prosecution and cultural contexts of sexual violence It draws on Northern Ireland as a case study while also drawing on experiences from other jurisdictions across the United Kingdom and island of Ireland Public and academic debates concerning the high profile Belfast Rugby Rape Trial and the subsequent Gillen review of the arrangements to deliver justice in serious sexual offence cases have been mirrored at a global level with movements such as

MeToo and TimesUp This book brings together the perspectives of practitioners and academics to discuss contemporary challenges surrounding the societal and legal framing of sexual violence It examines key aspects of the criminal justice process including the challenges of supporting victims of responding to a range of forms of sexual violence such as rape peer abuse intimate partner violence and forced to penetrate cases as well as alternative perspectives and future reforms It also considers broader debates including balancing the interests of victims and defendants the impact of cultural myths and stereotypes the challenges of the digital age models of consent legal representation for victims and anonymity and publicity surrounding trials Written by leading authorities in the field Sexual Violence on Trial will be of great interest to students and scholars of Criminology Law and Sociology

**Society, Crime, and Criminal Behavior** Don C. Gibbons,1992 **Crime and Criminology** Jay Livingston,1996 Known for its engaging and accessible writing style this probing text covers the traditional areas of criminology but also addresses questions of popular concern and policy debate using systematic evidence to explore such topics as deterrence and incapacitation race and social class the rights of the accused and domestic violence Challenging readers to think about even the most obvious and commonsense ideas in terms of the evidence that might support or contradict it the text delves even deeper encouraging them to see the connection between abstract theoretical propositions and the reality they see everyday in their own lives and in the media Using a highly perceptive lively and absorbing writing style to make serious ideas and evidence easily understandable to a wide range of readers the book integrates interesting boxes throughout to bring experientially distant ideas closer and make concepts more relevant On Campus Boxes highlight crime and other topical issues as they relate to campus life and Crime in the News Boxes take items from newspapers to illustrate ideas and provide models for discussing current cases and issues Reviewer Richard Wright from the University of Scranton says the text offers insightful typologies of crime presenting a superb comparison of the interactionist a cultural and structural explanation of homicide a first rate discussion of felony murder and exemplary sections on bookmaking and loansharks Features new to this edition include an increased number of graphs and tables to help readers get a better grasp of quantitative data chapter key terms chapter outlines and a thorough end of book glossary for better understanding and lucid discussions on Hirschi and Gottfredson s self control theory community policing and date rape For sociologist and criminologists

*Rape* Keith Burgess-Jackson,1996 This is the first book length philosophical examination of rape which has received ample attention from feminists legal scholars and social scientists **Society** Ian Robertson,1989 This concise elegantly written paperback volume on the essential elements of sociology is perfect as the sole textbook for a brief introductory course or as a core text to be supplemented with other readings **Crime and Social Justice** ,1985 **Sex Crimes** Donald James West,1994 This work deals with a variety of sex crimes The topics covered include the behaviour patterns of child molesters child sexual abuse gay men as victims of non consensual sex sex ratios and rape rates sadistic fantasy and offending and multisystemic treatment of adolescent sex offenders **Radical Critiques of**

**the Law** Stephen M. Griffin, Robert C. L. Moffat, 1997 The past two decades have seen an outpouring of work in legal theory that is self consciously critical of aspects of American law and the institutions of the liberal state In this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory The authors consider whether the critiques advanced in recent legal theory can truly be called radical and what form a radical critique of American law should take Writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory A third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal punishment including observations on rape and hate speech Each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views The resulting dialogue explores wide ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice A common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of prevailing liberal theories too limiting Radical Critiques of the Law is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are Proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best Aesthetics: Issues and challenges James O. Young, 2005 This collection brings together classic and contemporary writings on the philosophy of art All of the various artistic genres are addressed with sections on film dance and architecture as well as music literature and the visual arts Sexual Violence in German Culture Sabine H. Smith, 1998
