Rig For Church Navy Chaplain Life Story:

Serving God and Country Lyle W. Dorsett,2013-05-07 In World War II more than twelve thousand Protestant ministers Catholic priests and Jewish rabbis joined the Chaplain Corps They were men of faith under fire And they would charge straight into Hell to save the soul of a single soldier Representing America s three major religious traditions volunteers from across the country enlisted as noncombatant commissioned officers to provide spiritual strength and guidance for those fighting men who never knew if they were going to survive Armed only with Bibles Torahs and the tools of their holy trade these men of God went wherever the troops went They prayed over men about to go into combat on land at sea and in the air And most important and difficult of all they guided fallen fighting men of every faith as they breathed their last and gave up their lives in the fight against tyranny These are the personal stories of some of the bravest and most selfless men who served with the armed forces Many lost their lives or suffered debilitating wounds as they strived to keep the military personnel spiritually awake morally fit and prepared to make the journey from this world to the next without fear or despair and with the trust of the Almighty in their hearts INCLUDES PHOTOGRAPHS The Life Story of Abe the Newsboy Abraham Hollandersky,1930 A History of the Chaplain Corps, United States Navy, 1778- United States. or carelessly or through a veil of personal preconception but as they are To the varied exacting tasks of his profession he brings deep sympathy for other men and wide tolerance of their human foibles Chaplain Maguire s new book reflects the qualities of its author It also reflects to the discerning reader the spirit which makes the United States Navy the great fighting team it is proving itself to be as I write these words This is a book of countless stories of Navy men and of the families of Navy men It shows them in battle and at prayer in their homes and in their quarters It tells alike of apprentice seamen and of admirals because Chaplain Maguire is interested in all kinds of men It tells of Catholics and Protestants and Jews of serene men and worried men of heroic death in line of duty and of long lives devoted to that same duty There are stories in this book of that grim day at Pearl Harbor when the men of our Navy came back fighting from a cowardly bitter blow There are stories of the distant days of peace and of the closer harder days which have come since the Japs stealthily attacked our ships as they lay at anchor It is a casual discursive book and it is almost all about men of the Navy Those who read it if they read thoughtfully will discover much of what our Navy is They will better understand the fighting spirit the heroism and the fortitude of our men already exemplified so often and so gloriously in this war and among the best assurances of the war s successful outcome For the men of whom Chaplain Maguire writes are typical of our Navy So is the officer who writes of them Foreword [Wilson Library Bulletin](#) Stanley Kunitz,Marie Duvernoy Loizeaux,1943
