Riders From Nowhere

Alexander Abramov, Sergei Abramov

Riders From Nowhere:

Riders of the Night Eugene Cunningham, 2022-08-16 Eugene Cunningham's *Riders of the Night* is a gripping tale that skillfully blends adventure with the nuanced traditions of Western genre literature. Cunningham's narrative is a testament to the timeless allure of the Old West, captured with a prose style that is both evocative and direct. As the readers traverse the rugged landscapes alongside the characters, they are immersed in a story that is attentive to the literary context of its era, settling alongside the works of contemporaneous authors who sought to depict the West's raw beauty and complexity. *Riders of the Night* is not just entertainment; it is an embodiment of narrative craftsmanship reflective of a period that revered grand tales of courage and frontier justice. As an author, Eugene Cunningham drew from his profound understanding and personal experience of the American West. His authentic portrayal of Western life is grounded in its historical realities, capturing the trials of its people with an insider's perspective. Cunningham's reasons for writing this book can be traced back to his own journey through the landscapes that he vividly describes. This personal connection infuses his work with an authenticity that resonates with readers seeking a genuine taste of Western Americana. *Riders of the Night* comes highly recommended for aficionados of Western literature and anyone who cherishes the inheritance of human storytelling. It is more than a simple retelling of gunslinger lore; it is a carefully woven tapestry of human experience set against the vast backdrop of the American frontier. Cunningham's novel invites readers to rediscover the thrill of the Wild West, its enduring legacy, and its bearing on the American identity. DigiCat Publishing's careful reproduction honors the novel's status as a piece of world literature, making it a cherished addition to any literary collection.

Riders from nowhere Alexander Abramov, Sergei Abramov, 1991 Western Films Arthur F. McClure, Ken D. Jones, 1972 A pictorial history of the B western players **The Rough Riders** Theodore Roosevelt, 1899 President Roosevelt's personal narrative of his adventures during the Spanish American War. The Rough Riders were a uniquely American crew of cowboys, scholars, land speculators, American Indians, and African Americans, and this volume chronicles their triumphs and defeats with riveting and engrossing detail. Also included is the list of men who he commanded and letters of recommendation for the Medal of Honor.

Vault of Power Philip Whitby, 2019-08-12 In a realm of magic and wonder, protected by the infamous Storm Line, a civil war threatens to plunge the land back into darkness. But amidst the chaos, a glimmer of hope arises with the discovery of the mythical Vault of Power, a source of unbridled magical potential. But finding the Vault before the opposing Death Hunters means crossing into the fabled Unknown Region, a place few mages have ever returned from. Leading a quest into the most dangerous realm outside their own, a small detachment of the Guard makes the voyage through the Storm Line to face untold horrors. Among this group is a young mage who seeks adventure more than any of her creed. But even she isn't ready to face the nightmares that follow. Now their only hope to survive this harsh landscape and find their way home lies not in the magic that has shaped their civilization, but in the survivors of the world left in ruins. But can they be trusted with their lives, or are there secrets hiding

under the surface that threaten everything they believe in *I, Koch* Arthur Browne, Dan Collins, Michael Goodwin, 1985
