Micah-Malachi Ralph Smith, 2020-12-15 A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths These themes and ideas are often like precious gems they lie beneath the surface and can only be discovered with some difficulty While commentaries are useful for helping readers understand the content of a verse or chapter they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture The Word Biblical Themes series helps readers discover the important themes of a book of the Bible This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching teaching worship and discipleship of God's people Volumes in this series Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes

and practical applications of them Give reader s an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors bible teachers and students as they seek to understand and apply God s word to their ministry and learning

Malachi Then and Now Allen P. Ross,2018-11-30 A rich and satisfying commentary on Malachi that unfolds its powerful message Since Malachi deals with topics such as money marriage worship and the love of God contemporary Christians can learn much from this ancient book In addition to commenting on the book of Malachi this volume shows how to develop biblical expositions from a solid exegetical analysis of the text I have chosen the book of Malachi writes the author because it is short and can be easily expounded in a short series and because it has a good variety of forms and constructions that provide test cases for a practicum in exegesis But most of all because the messages recorded here are needed just as much today as in Malachi s day

Verse by Verse Commentary of the Book of Malachi DR. PAUL CRAWFORD,2025-12-01 Introduction to Verse by Verse Commentary of the Book of Malachi The Book of Malachi serves as the final poignant word of the Old Testament The name Malachi means My Messenger and the book functions as a sharp corrective wake up call to a post exilic community that had drifted into spiritual apathy cynicism and ritualistic formalisms Written approximately 100 years after the return from Babylon c 450 430 B C Malachi addresses a people who were disappointed that the glorious messianic promises of Haggai and Zechariah had not yet materialized leading them to question God s love and justice The Style of the Prophet The Divine Dispute Malachi is unique in its literary structure It is composed of six disputations or rhetorical arguments In each case God makes a statement the people or priests respond with a cynical question and God delivers a detailed rebuttal Dispute The IssueThe People s QuestionGod s Response1God s LoveHow have you loved us Evidence of His choice of Jacob over Esau 2Corrupt WorshipHow have we

despised your name Bringing blind and sick animals for sacrifice 3UnfaithfulnessWhy does He not accept our offerings Treachery against wives and spiritual divorce 4Divine JusticeWhere is the God of justice The coming of the Messenger to refine the people 5TithingHow shall we return They are robbing God by withholding tithes 6ComplacencyWhat have we spoken against you The distinction between the righteous and the wicked Core Theological Themes Despite its short length Malachi hits on several heart issues that define the relationship between God and His people Honoring the Name Malachi rebukes the priests for treating the altar with contempt God demands the best because He is a great King whose name will be feared among the nations The Refiner s Fire God is depicted as a Refiner and Purifier He does not destroy His people in judgment but cleanses them like gold and silver to make their offerings righteous again Covenant Loyalty and Marriage Malachi 2 contains one of the strongest biblical defenses of the marriage covenant condemning the men of Judah for divorcing their covenant wives to marry women who worshipped foreign gods The Messenger of the Covenant The book looks forward to a future day when the Lord whom you seek will suddenly come to his temple 3 1 The Bridge to the New Testament Malachi concludes with a dramatic prophecy that links the Old and New Testaments He predicts the return of Elijah the prophet before the great and awesome Day of the LORD Behold I will send you Elijah the prophet before the great and awesome day of the LORD comes And he will turn the hearts of fathers to their children and the hearts of children to their fathers Malachi 4 5 6 This prophecy creates a 400 year bridge of silence that is finally broken in the New Testament when John the Baptist appears in the spirit and power of Elijah to prepare the way for Jesus Christ The Scope of this Commentary This verse by verse commentary will guide you through the sharp dialogue and enduring moral lessons of Malachi We will focus on The Rhetorical Structure Breaking down the six disputes to see how God addresses the specific doubts and sins of His people Ritual vs Reality Examining why God rejects religious activity that lacks heart felt devotion and ethical integrity The Messenger and the Messiah Detailed analysis of the prophecies in Chapters 3 and 4 that set the stage for the Gospel accounts By studying Malachi you will confront the danger of spiritual drifting and find the promise of a God whose love is unchanging even when His people are unfaithful Would you like to begin a verse by verse study of the first dispute in Chapter 1 or would you like a summary of the 400 Years of Silence between Malachi and the New Testament **Holman Old**
