Male Intergenerational Intimacy:

Male Intergenerational Intimacy Alex Van Naerssen, Theo Sandfort, 2013-09-13 This groundbreaking book presents new historical legal sociological psychological and cross disciplinary research on male intergenerational intimacy Experts thoroughly document and further the discussion about this area of research through historical and ethnological examples from different times and places and aim to clarify how controversies about the subject have evolved in modern Western society The editors of Male Intergenerational Intimacy have solicited original research and literature reviews which do not digress into emotional arguments for or against intergenerational intimacy but instead aim to establish the basics for a research based scholarship The contributors address the implications of intergenerational intimacy on a variety of levels from friendship and companionship through sexual dimensions and further analyze personal accounts to illustrate how individuals involved in intergenerational intimacy understand themselves and how they construct their concepts of intimacy and sexual identity Contributors also deal with intergenerational intimacy behaviors that require counseling treatment and psychotherapeutic interventions from a positive approach Finally separate chapters deal with criminology issues and penal codes as they relate to the subject area [Male intergenerational intimacy](#) ,1990 **Sexual Abuse of Males** Josef Spiegel, 2013-08-21 Based on hundreds of case histories this book examines the sexual abuse of boys from the perspectives of victim perpetrator It adopts a psychosocial context seeks to develop a multidimensional understanding of dynamics effects

Misinformation Concerning Child Sexual Abuse and Adult Survivors Paul Jay Fink, Joyanna Silberg, Charles L. Whitfield, 2019-11-20 Successfully navigate the minefield of misinformation that can prevent justice from being done in child sexual abuse cases From the Foreword by Robert Geffner PhD editor of the Journal of Child Sexual Abuse Too often the public and some professionals have been misled by media publicity and articles that appear scientific but in reality are biased opinions or over generalized research Forensic cases are being decided in many courts based upon the recommendations of so called expert witnesses who do not actually know the clinical research or understand the dynamics of such abusive relationships This much needed book points out and corrects misinformation that everyone who works with victims offenders or families in which sexual abuse has occurred needs to understand clearly Especially vital in today s political climate *Misinformation Concerning Child Sexual Abuse and Adult Survivors* gives you state of the science information on such myths as false memory syndrome recovered memory therapy and the lack of harm to some sexually abused boys *Misinformation Concerning Child Sexual Abuse and Adult Survivors* examines forensic issues including the false memory defense and how the long term impact of childhood sexual abuse is often misrepresented in court three separate expert examinations of Rind Tromovitch and Bauserman s well known and often misrepresented review of long term child sexual abuse outcomes treatment recommendations and guidelines for addressing the memory controversy in clinical practice the fascinating case history cautionary tale of the child molester Robert Halsey who was convicted and sentenced to two life sentences in 1993

victim advocates and others struggle to comprehend the enormity of the devastation left in the wake of these heinous acts. *Ritual Abuse in the Twenty first Century* addresses the concerns that naturally evolve from any discussion of this phenomenon from the perspectives of professionals, advocates and survivors from around the world, eight countries, seven states in the U S. How valid are the survivors stories? Is there evidence? What are the consequences of these acts to the individual and society? Why have these allegations been ignored or discredited whenever they have surfaced? The authors of these chapters respond to these and other questions in an effort to illustrate the constellation of psychological, health, legal, criminal, societal and spiritual ramifications of ritual abuse. Chapters address current issues including ritually based crime, civil suits involving allegations of ritual abuse that are universal. The value of understanding ritual trauma for diagnostic and treatment applications is discussed.
