Men of Strength for Women of God Frank LaGard Smith,1989 The author presents a timely look at the biblical teachings regarding the role of women and clearly establishes the evidence for the principle of male spiritual leadership He carefully analyzes the roles responsibilities and privileges that belong to men and women and shows God s reasons behind the differences Publisher

s description **God, a Man, and Men** Zacharias Tane Fomum,2016-09-06 God gives limitless authority to those whom He places in leadership He backs them without any reservation but judges them with the greatest severity Divine privileges carry with them great responsibilities Are you a spiritual leader at any level Is someone looking up to you to lead them to Christ or along the Christian way Has God called you to lead one or more people out of the captivity of sin and self into the fullness of the obedient and sanctified life Are you at a loss on how to become and continue to be the spiritual leader that God meant you to be In **Spiritual Leadership in the Pattern of Moses** the author Z T Fomum will take you through the necessary ingredients required to build the leadership wealth that sets you apart and promotes a mere seeker after God into a spiritual leader He highlights twelve different sources of rebellion among God s people and their causes and provides godly solution pathways for each type If you are looking for divine guidance in spiritual leadership delegation and succession or leadership perils and how to avoid them then this is the book you need From another angle the author demonstrates that leadership is conditioned on a life sacrificed spent and sold out for others It all starts with a deep and intimate knowledge of God without which all spiritual leadership exercised would be from skill talent or natural endowment Such can never satisfy God s heart neither can it lead God s people to their destiny If God has called you to lead one or more people then this is a must read for you **Training Men to be Spiritual Leaders in the Home** Jerry M. Burns,1991 The need for this project was indicated by a recognition that Christian men at Cathedral of Praise were not taking an active role in the spiritual leadership of their families The problem was identified as a lack of understanding on the part of men toward spiritual leadership coupled with a lack of motivation to recognize and fulfill the leadership role in the home This need was met by developing a training course for men which addressed the distinctives of spiritual leadership The hypothesis of the project was that training men in spiritual leadership would result in a greater understanding of the role and motivation to fulfill the role of a spiritual leader in the home Abstract **Rosicrucian Fellowship Magazine** ,1917 **What Most Women Want** F. LaGard Smith,1992 In their quest for equality many women wonder if they are crossing boundaries that are actually weakening their most precious relationships This timely look at the question of male spiritual leadership overviews the varying gifts responsibilities and privileges that belong to men and women and the reasons behind the differences Previously titled **Men of Strength for Women of God** **American Standard** ,1925 [Sermons which Spiritually Interpret the Scriptures and Other Writings on Christian Science](#) Augusta Emma Stetson,1924 [Vision, Burden, Action](#) Zacharias Tane Fomum,2016-01-01 This book is divine counsel from God for personal spiritual progress and for the success of the spiritual leader Vison Burden Action is truly a work book and communication of strategies This book is recommended to any servant who is aware of God s call to be among those who lead His people It clearly establishes the relationship between vision burden and action Well developed are themes such as Spiritual strategy The leader and the world The leader in prayer Communication of the vision etc It is in short an exposition of methods and strategies for a spiritual leadership which need not be ashamed before the Lord and before
