

# Mama Dot

Born on a sunday  
in the kingdom of Ashante

Sold on monday  
into slavery

Ran away on tuesday  
cause she born free

Lost a foot on wednesday  
when they catch she

Worked all thursday  
till her head grey

Dropped on friday  
where they burned she

Freed on saturday  
in a new century

## **Mama Dot:**

**Mama Dot** Fred D'Aguiar,1985      *Mama Dot* Fred D'aguiar,2013-08-31 Every once in a while a new poet appears who makes us feel that the contours of contemporary poetry have been significantly changed Fred D aguiar is such a poet Although still in his early twenties he already has a wholly independent voice and a powerful grasp of original and strange subjects Many of these arise from his childhood in Guyana the first section of *Mama Dot* comprises a series in which these early years are recalled with a passionately lyrical evocation of landscapes incidents and family relations They are sensuous celebrations but are nevertheless touched with melancholy and nostalgia qualities which are more fully evident elsewhere in the book in poems which address the life D Aguiar now leads in England and which concentrate on themes of exile In the final section *Guyanese Days* he returns once again to the scenes and memories of his childhood *Mama Dot* is one of the most exciting first collections to have been published for many years exhilarating haunting and restlessly inventive      **Notebook** *Mama* Mama Publishing,2019-10-12 This Notebook makes a great present for Christmas Easter and birthdays      Mama Mama Bear Books,2019-08-13 These adorable notebooks are a great choice for friends students teachers moms or anyone on the go Dotted grid pages to suit your diary journal or travel journal needs The personalization adds a unique touch making it a great gift for the paper lovers in your life Dotted grid paper is very flexible and can be used for design creating your own bullet style journals drawing pen and paper games and many more purposes Many people like the simplicity of connecting the dots to make boxes tables and so on Equal parts day planner diary and written meditation bullet journaling turns the chaos of coordinating your life into a streamlined system that helps you be more productive and reach your personal and professional goals Great gift for birthdays Friendsgiving Christmas Kwanzaa Hanukkah first day of school Valentine s White Elephant Easter etc      *Doodlebug Days* Dorothy Lockard Bristol,Nancy Lockard Gallop,2000-09-05 Our 1935 black Oldsmobile and heavily loaded trailer drew hostile looks as we drove into Bakersfield and stopped at a shady park to check the tires When Mother Daddy we two girls and our young brother Skippy got out two work hardened men in ranch straw hats and short sleeved cotton shirts stood staring suspiciously at our California license plates Had those plates on long the shorter man challenged Daddy Guess you d say so Daddy answered pleasantly Mother s hands were settling on her hips a sure sign her indignation would be expressed verbally at the first sign of an insult from the men The taller man took a step toward Daddy Hope you re not looking for farm work in Bakersfield cause there isn t any Deliberately the man spat on the curb Every damn fool in Texas Missouri Arkansas and Oklahoma is either here or on Route 66 trying to get here in some beat up jalopy Not enough cotton or potatoes in all of Kern County to keep half of them busy No Daddy said evenly Not looking for work Just looking to head out of here in a few minutes While Daddy circled our car and trailer Mother glared at the men snapped open her white envelope purse and drew out a bottle of Coty s Emeraude dabbing a drop behind each ear It s so much hotter here than in Lynwood she said loftily I don t know how people can stand it Turning her back on the Bakersfield men she added

Come on children let's get back in the car And don't step in that filth on the sidewalk As Daddy pulled away from the curb Mother fanned herself with her purse Imagine Bruce you a civil engineer looking for farm work I'd like to have given those Bakersfield men a piece of my mind and I would have too if your work weren't so secret They treated us as if we were Dust Bowl migrants In California in 1935 twenty percent of the country's labor force was unemployed and hobos regularly knocked on back doors for handouts To survive in the Great Depression our father had taken a job with an oil exploration party in the San Joaquin Valley Our family packed up and left southern California to join him Between 1900 and 1936 California led the nation in petroleum production Oil companies certain that great reserves of oil still lay hidden sent exploration crews called doodlebug parties throughout California to find new fields The intense competition among oil companies mandated secrecy concerning doodlebug party movements By setting explosives off in a series of holes doodlebuggers would measure the echoes and make a seismic record that might indicate the presence of oil Our new life was scary because we girls Nancy age 10 and Sunny 12 had been allowed to make the decision whether to follow our father or remain in comfortably familiar Lynwood just south of Los Angeles Still we knew that our father felt fortunate to be holding a job even one that worked a hardship on his wife and children We left our home in Southern California and headed north over the Ridge Route towing our possessions behind our car in a small canvas covered trailer Even though the security of our family unit buffered us against hardships we girls were apprehensive Still we were excited about the new life that was unfolding DOODLEBUG DAYS takes place in a California with a population of only six million The Valley towns in which we lived were small and agricultural with tight knit established families For the employed life was less complicated than it is today Radios not televisions were prominently enshrined in each living room In the small towns up and down the Valley people pulled their kitchen chairs close to their radio to listen to President Roosevelt's fireside chats as he discussed solutions to the problems that marked the era
