Mama Solves A Murder:

Mama Pursues Murderous Shadows Nora DeLoach,2011-06-15 With Mama on the case murder meets its match A tryst with a deadly twist All I d wanted to do back home in Otis South Carolina was whip up a wonderful thirty fifth anniversary party for my parents But we d hardly picked the baker before Mama found herself volunteering her services for the one thing she did nearly as well as cook And that is sleuthing You see Ruby Spikes was found dead in a motor inn with a gun in her hand a suicide note and a certified check receipt to a man no one ever heard of not even the trio of Otis gossips who are Mama s rock solid source of information Neither they nor Mama despite Ruby s tormented diary were convinced she went to her reward willingly But this was a young woman with an outsize bundle of secrets and enemies And when Mama starts sorting them out and sudden death makes a return visit it looks like she ll uncover the truth only by making herself and me a killer s next target

[Mama Stalks the Past](#) Nora DeLoach,2011-06-15 When my mama receives an angry visit from Nat Mixon she learns some startling news Nat s mother and Mama s neighbor spiteful recluse Hannah Mixon has just died and left a large parcel of land to Mama Nat is convinced Mama stole his inheritance and to save her reputation Mama s determined to find out why Hannah named her in her will And when it turns out Hannah was murdered Mama needs to find more answers With the help of three notorious local gossips and me Mama uncovers a long bloody history of greed and family betrayal connected to the land Mama s inherited And unless she discovers the truth about this plot of land it may become her burial plot

Mama Solves a Murder Nora DeLoach,2000-07

Mama Cracks a Mask of Innocence Nora DeLoach,2011-06-08 There s not a killer in the world who can hide from Mama Dark encounters and deadly lessons I was happy to volunteer a few days back home to help Mama distribute clothing to the needy But I didn t expect big city dangers to follow me all the way to Otis South Carolina Instead of doing good deeds and cooking up a storm Mama was digging deep into shady secrets after young Brenda Long was discovered dead in a shallow grave Someone wanted Brenda silenced bad enough to kill and the list of suspects is long But is the killer the drug dealing teacher that Brenda threatened to expose Or can it have been the man who was sent to jail after Brenda caught him stealing now paroled and bent on exacting his revenge Everyone knows that Mama has had good luck as the town s unofficial sleuth But as a maze of tangled relationships leads to dead ends and dead bodies time is slipping away For our worst enemies can masquerade as friends and even Mama s luck can run out

Sleuths in Skirts Frances A. DellaCava,Madeline H. Engel,2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and

theatricality Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Diversity and Detective Fiction Kathleen Gregory Klein, 1999 The distinguishing characteristic of the book is its mix of essays focusing on teaching cultural diversity in the classroom and illustrating diversity through fiction to the general readers **BOOK JACKET** **Mama Stalks the Past** Nora DeLoach, 1997 Mama's passion is digging up bits and pieces until she's solved a mystery Long ago she decided that if we could get at the truth of a problem we would have made a contribution to humankind Most of the time I agree with Mama This time however finding the truth about Hannah Mixon's murder could cost Mama her life Mama's name is Grace but folks call her Candi because of a golden brown complexion that puts you in mind of candied sweet potatoes Mama makes her living as a case manager for Social Services but her talent for cooking up the best food in Otis South Carolina is well known When things weren't working out for me in Atlanta Mama suggested I come home I soon knew I'd made the right decision when I found Nat Mixon on Mama's doorstep threatening to tell the whole town that Mama stole his inheritance It seems that Nat's mother and Mama's neighbor spiteful recluse Hannah Mixon had just died and left a will naming Mama as her beneficiary yet Mama had never spoken to the woman Everybody in Otis knew Nat was one can short of a six pack but he was built like a tank and threatening Mama's reputation which to Mama is as bad as threatening her life When it turned out the bequest was 250 acres of land and Miss Hannah had died of poisoning a big drama was under way in a small town where inherited property is more valuable than gold Mama couldn't see her reputation ruined she had to discover why Hannah had left her the property and why the old woman had been murdered And maybe that was exactly what Hannah Mixon expected her to do why else had she left Mama a message to look

for a missing envelope But before Mama can find the hidden clue Nat Mixon himself is brutally attacked Mama's sleuthing intuition gets to working and with the kindly assistance of three Otis women who should be on the FBI payroll for their expertise in uncovering other people's business my ninety nine year old great uncle Chester's grasp of family history and me as her escort Mama proves that blood flowed freely on Hannah Mixon's land Land that somebody was willing to kill for more than once And unless Mama can uncover a secret buried for decades beneath greed and family betrayal and now murder she may never sleuth again In *Mama Stalks the Past* Nora DeLoach offers up a suspenseful tale of how family ties snap like thread when a large inheritance attracts a brutal killer And she spins a tale featuring one of the most endearing and memorable sleuths in fiction today *African American Mystery Writers* Frankie Y. Bailey, 2014-01-10 The book describes the movement by African American authors from slave narratives and antebellum newspapers into fiction writing and the subsequent developments of black genre fiction through the present It analyzes works by modern African American mystery writers focusing on sleuths the social locations of crime victims and offenders the notion of doing justice and the role of African American cultural vernacular in mystery fiction A final section focuses on readers and reading examining African American mystery writers access to the marketplace and the issue of the double audience raised by earlier writers
