Remembrances in Black Charles F. Robinson II,Lonnie R. Williams,2015-02-20

With the admittance in 1948 of Silas Hunt to the University of Arkansas Law School the university became the first southern public institution of higher education to officially desegregate without being required to do so by court order The process was difficult but an important first step had been taken Other students would follow in Silas Hunt s footsteps and they along with the university would have to grapple with the situation *Remembrances in Black* is an oral history that gathers the personal stories of African Americans who worked as faculty and staff and of students who studied at the state s flagship institution These stories illustrate the anguish struggle and triumph of individuals who had their lives indelibly marked by their experiences at the school Organized chronologically over sixty years this book illustrates how people of color navigated both the evolving campus environment and that of the city of Fayetteville in their attempt to fulfill personal aspirations Their stories demonstrate that the process of desegregation proved painfully slow to those who chose to challenge the forces of exclusion Also the remembrances question the extent to which desegregation has been fully realized [10 Ways We Can Advance Social Justice](#) Hannibal B. Johnson,2024-02-06 Social justice is recognizing that even if you think you re the chosen one you re never the only one Until you come to my side of the fence to see what I see and I come to your side to see what you see we will struggle with social justice Johnson s book will help get us there JC Watts politician clergyman businessman

and athlete Social justice matters because we each of us matter Unless we learn to co exist as equals we will never live optimally To denigrate any one of us is to demean all of us Absent the wholesale embrace of social justice we risk succumbing to human tendencies to stereotype otherize and scapegoat Those tendencies left unchecked lead to horrific ends When we see ourselves in others we understand that our shared humanity eclipses all else Through our disagreements we must never doubt the dignity and worth of the other Certain facts and factors that cause misalignments in the social order inequality and inequity social injustice but there are ways to intervene and interrupt them This book offers 10 ways we can advance social justice We pay a cost for failing to internalize and act upon history s lessons For example our history teems with examples of fractious relations among racial ethnic and cultural groups and an overarching white supremacist ideology that places some at an advantage at the expense of others Recognizing our shared humanity and the power of we and rectifying disparities and inequities are among the chief aims of social justice initiatives Through critical thinking we best position ourselves to tackle seemingly overwhelming social justice issues To be ready we must know care and act know look at ourselves others events and institutions care reflect on recurring inequalities and inequities and act work on solutions to effect and advance meaningful measurable maintainable solutions Critical thinking animates the three core activities necessary for social justice advancement introspection engagement and advocacy Achieving social justice is an aspirational pursuit an ongoing journey that can be fraught with peril and disappointment It is nonetheless an odyssey worth taking a quest so many of us have no choice but to embrace Introspection engagement and advocacy are essential stops along the way Examine yourself Plug in Speak truth Hannibal B Johnson is a powerful and authentic voice for truth and constructive action for racial equity His approach of honest introspection community engagement and collaborative advocacy offers an effective framework This is a practical handbook for those seeking to heal and rebuild their communities Rob Corcoran Training Consultant Initiatives of Change International Founder Emeritus Hope in the Cities and author American Book Publishing Record ,2004 *A Concordance to the Plays of W.
