Programme, University of Toronto. Library, 1995 Mame-loshn Rakhmiel Peltz, Congress of Secular Jewish Organizations, 1996 *The Hammer and the Flute* Mary Keller, 2003-05-01 Award for the Best First Book in the History of Religions from the American Academy of Religion Feminist theory and postcolonial theory share an interest in developing theoretical frameworks for describing and evaluating subjectivity comparatively especially with regard to non autonomous models of agency As a historian of religions Mary Keller uses the figure of the possessed woman to analyze a subject that is spoken through rather than speaking and whose will is the will of the ancestor deity or spirit that wields her to engage the question of agency in a culturally and historically comparative study that recognizes the prominent role possessed women play in their respective traditions Drawing from the fields of anthropology and comparative psychology Keller brings the figure of the possessed woman into the heart of contemporary argument as an exemplary model that challenges many Western and feminist assumptions regarding agency Proposing a new theoretical framework that re orients scholarship Keller argues that the subject who is wielded or played the hammer or the flute exercises a paradoxical authority instrumental agency born of their radical receptivity their power derives from the communities assessment that they no longer exist as autonomous agents For Keller the possessed woman is at once hammer and flute paradoxically powerful because she has become an instrument of the overpowering will of an ancestor deity or spirit Keller applies the concept of instrumental agency to case studies providing a new interpretation of each She begins with contemporary possessions in Malaysia where women in manufacturing plants were seized by spirits seeking to resacralize the territory She next looks to wartime Zimbabwe where female spirit mediums the Nehanda mhondoro declared the ancestors will to fight against colonialism Finally she provides an imaginative rereading of the performative power of possession by interpreting two plays Euripides Bacchae and S Y Ansky s The Dybbuk which feature possessed women as central characters This book can serve as an excellent introduction to postcolonial and feminist theory for graduate students while grounding its theory in the analysis of regionally and historically specific moments of time that will be of interest to specialists It also provides an argument for the evaluation of religious lives and their struggles for meaning and power in the contemporary landscape of critical theory

American Jewish Archives ,1983 *Jewish Affairs* ,1993 **New Society** ,1982 *Sound an Alarm! Joseph Perl's Revealer of Secrets and Testing the Righteous* Dov Taylor, 2024-11-15 Revealer of Secrets is a portrayal both realistic and satirical of Eastern European Jewish life in the tumultuous early years of the nineteenth century It reflects the struggle that raged between the Haskalah and Hasidism as the Jewish people stood on the threshold of modernity In the battle between reason and faith the Haskalah admired science and rationalism and recommended broad education to its adherents while Hasidism revered mystical intuition in its charismatic rebbe saints and encouraged religious fervor in its followers Published in Vienna in 1819 Joseph Perl s Revealer of Secrets was the most devastating and best known parody produced by the Haskalah movement Its milieu is that of Ukrainian Polish and Russian Jewry at the beginning of the nineteenth century

Drawing on forms from the eighteenth century European epistolary novel the khsidic holy book khsidic and rabbinic letters and the Austrian comic tradition and drawing inspiration from the masterpiece of biblical parody *The Book of Esther* Perl unleashed a broadside that in the words of one modern critic was to become a classic of Hebrew literature a masterpiece of invective and the first Hebrew novel Perl's related volume *Bohen Tsaddiq Testing the Righteous* was published in 1838 TR is a sequel to RS consisting of a discussion of readers' reactions to the earlier work including criticism of the author's use of khsidic sources Each of the criticisms is of course convincingly rebutted as the entire work is crafted to lend authenticity to RS Ovadya reappears as the narrator in TR Its plot revolves around the search for a completely honest man in the course of which representatives of the various elements of Jewish society are reviewed and their defects exposed The parade of failures includes not only khsidim but also rabbis businessmen craftsmen and even maskilim As the search concludes the honest man turns out to be neither a khsidic tzadek nor even a maskil but a pious farmer in a Jewish agricultural utopia in the Crimean Peninsula Perl's vision of utopia thus rejects not only Hasidism but also the idea of a return to Palestine envisioning instead a life of productive labor in the Diaspora
