Man And His Images:

Man, the Image of God Cardinal Christoph Schönborn, Christoph von Schönborn, 2011-01-01 God created man in his own image and the profound implications of this assertion are the subject of this book Drawing on philosophy theology science Scripture and art Cardinal Schönborn reflects on man as the greatest of Gods creatures and on the Christian understanding of his incomparable dignity that flows from this truth According to the Christian faith all the works of God converge toward man and find their goal in him The world was made for man and man was made for God This anthropocentrism resounds like good news at a time when many find it hard to believe in Gods special and personal providence for man It is good news indeed that man has worth and his life has meaning because God bears an infinite love for him a love which is the very origin of creation and is the reason for the work of redemption Among the topics Cardinal Schönborn addresses are Christ the Loveliest of Men The Exaltation of Man The Basis of Mans Dignity Faith in Art God with a Human Face

God and His Image Jean-Dominique Barthelemy, 2007 Fr Barthelemy was an internationally recognized expert on Old Testament studies and a member of the Pontifical Biblical Commission In this work he dispenses with the technical language of exegesis and linguistics and speaks theologically as a priest a teacher a believer This work is an introduction to the spiritual teaching of the Old Testament and can greatly help believers to hear that renewing and rejuvenating Word of God with deepened understanding This is a book about God and man It is also about the long history of Gods search for man and the difficulty man had in keeping intact the divine image in which he was created The purpose of this book is to present what God says about Himself and about His image man in the inspired texts of Scripture This powerful work by an acclaimed Biblical and spiritual writer can enkindle the heart and enlighten the mind of modern man to see who we truly are in Gods eyes and help us to understand the full extent of our deep need for God to become his faithful followers and images once again
