

MIDDLE-AGE RAGE

"Middle age may kill, but with this book you'll die laughing."
—*Kirkus Reviews*

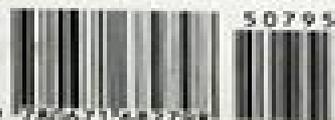

At last there is a bitingly honest—and hilariously funny—guide to that mysterious and terrifying phenomenon: male middle age.

From "Corpus Derelecti" to "Exercise and the Middle-aged Man: A Waist of Time," Fred Shoenberg takes a wry, witty look at that milestone in a man's life when the only things he does with increasing frequency are attend funerals and visit the john. With the voice of experience, Shoenberg reviews the symptoms of male menopause. So if you recognize any of the following descriptions (or need glasses to read this), you need this book:

- The saltpeter they put in your food years ago in boot camp is finally taking effect.
- You suddenly find that your parents are old, your kids are grown-up, and you haven't changed.
- You start believing that to eat is human, to digest divine.
- Your broker says, "You're probably looking for bonds with a shorter maturity."

After all, since you can't avoid middle age, you might as well at least laugh at it.

Fred Shoenberg is chairman of the board of a New York investment firm. He lives in New York City with his wife and two children.
