Middle Way Puritanism And Ideology In American Romantic Fiction:

The Middle Way Michael T. Gilmore, 1977 **Allegory in America** D. Madsen, 1995-12-18 Allegory in America surveys the history of American allegorical writing from the Puritans through the period of American romanticism to postmodernism In a series of theoretical chapters the cultural function of allegory is discussed in relation to the mythology of American exceptionalism Each theoretical chapter is followed by a chapter that analyzes a specific text or group of texts Allegorical indeterminacy is seen to produce a literary tradition that both represents and subverts the ideals of American orthodoxy

A History of American Literature Richard Gray, 2011-09-23 Updated throughout and with much new material A History of American Literature Second Edition is the most up to date and comprehensive survey available of the myriad forms of American Literature from pre Columbian times to the present The most comprehensive and up to date history of American literature available today Covers fiction poetry drama and non fiction as well as other forms of literature including folktale spirituals the detective story the thriller and science fiction Explores the plural character of American literature including the contributions made by African American Native American Hispanic and Asian American writers Considers how our understanding of American literature has changed over the past thirty years Situates American literature in the contexts of American history politics and society Offers an invaluable introduction to American literature for students at all levels academic and general readers (Re)Visions of History in Language and Fiction Dorota Gutfeld, Monika Linke, Agnieszka Sowińska, 2013-02-21 In imagining history one must inevitably rely on its textual representations whether fictitious or supposedly objective yet always subject to the constraints and conventions of textuality Still it is precisely by exploiting and consciously relying on the textual in the presentation of the past that contemporary authors including politicians and makers of history strive to provide it with current significance emotional impact and universal meaning The study of such attempts benefits from a variety of perspectives encompassing not only classical but also popular texts and media An interdisciplinary collection of papers devoted to the issues of retelling rewriting and representation of the past in fiction and various text types this volume juxtaposes modern and post modern understanding of collective versus personal history The contributors are scholars specializing in literary studies e g postcolonialism and popular fiction linguistics e g critical discourse analysis and cultural studies e g media studies bringing a wide spectrum of theoretical insights into the field The collection opens with papers on the general changes in viewing history that have occurred since the 19th century Further papers discuss postcolonial feminist and gender related perspectives on history reflected in postmodern fiction revealing the power struggle around the depiction of the past The next part of the volume is devoted to the presentation of historical breakthroughs in political and media discourse Finally the collection draws attention to some unorthodox visions of history involving alternative worlds and fantastic elements encountered in the genre of speculative fiction *The Transformation of Authorship in America* Grantland S. Rice, 1997-06-23 Did the emergence of a free press liberate eighteenth century American

authors Most critics and historians have assumed so In a study certain to force a rethinking of early American literary culture Grantland S Rice overturns this dominant view Rice argues that the lapse of Puritan censorship the consolidation of copyright law and the explosion of a commercial print culture confronted writers in the new United States with a striking predicament the depoliticization and commodification of public expression Rice shows that the rigorous censorship practiced by Puritan authorities conferred an implicit prestige on texts as civic interventions helping to foster a vigorous and indigenous tradition of sociopolitical criticism With special attention to the sudden emergence of the novel in post revolutionary America Rice reveals how the emergence of economic liberalism undermined the earlier tradition of political writing by transforming American authorship from an expression of individual civic conscience to a market oriented profession Includes discussions of the writings of Benjamin Franklin Michel Guillaume Jean de Cr vecoeur and Hugh Henry Brackenridge

Engendering Romance E. Miller Budick,1994-01-01 Describes how four 20th century women writers have inherited and adapted a tradition of American romance Analyzing fiction by Faulkner and others this work goes on to explain how women have updated the genre to include alternatives to matriarchal as well as patriarchal constructions

Traveling Women Susan Clair Imbarrato,2006 A study with the actual accounts of early American women s travel writings Together these records and the editor s analysis challenge assumptions about the westward settlement of the US and women s role in that enterprise

Inscrutable Malice Jonathan A. Cook,2012-12-15 In *Inscrutable Malice* Jonathan A Cook expertly illuminates Melville s abiding preoccupation with the problem of evil and the dominant role of the Bible in shaping his best known novel Drawing on recent research in the fields of biblical studies the history of religion and comparative mythology Cook provides a new interpretation of *Moby Dick* that places Melville s creative adaptation of the Bible at the center of the work Cook identifies two ongoing concerns in the narrative in relation to their key biblical sources the attempt to reconcile the goodness of God with the existence of evil as dramatized in the book of Job and the discourse of the Christian end times involving the final destruction of evil as found in the apocalyptic books and eschatological passages of the Old and New Testaments With his detailed reading of *Moby Dick* in relation to its most important source text Cook greatly expands the reader s understanding of the moral religious and mythical dimensions of the novel Both accessible and erudite *Inscrutable Malice* will appeal to scholars students and enthusiasts of Melville s classic whaling narrative

Nineteenth-century American Romance E. Miller Budick,1996 Nineteenth century American romance as a genre is defined by the writings of a particular group of authors James Fenimore Cooper Washington Irving Charles Brockden Brown Edgar Allan Poe Nathaniel Hawthorne Herman Melville and Henry James all of whom are associated with one another in time and place In this volume Emily Miller Budick examines the genre both as a style and within a historical context She interprets American romance as an evolving literary aesthetic and cultural philosophy as an effort by a group of writers to produce what Noah Webster called an American tongue a language imbued with the values of democracy and pluralism

America's Gothic Fiction Dorothy

Zayatz Baker, 2007 We have seen strange things to day the history and artistry of Cotton Mather s remarkables A wilderness of error Edgar Allan Poe s revision of providential tropes Cotton Mather as the old New England grandmother Harriet Beecher Stowe and the female historian Nathaniel Hawthorne and the singular mind of Cotton Mather The story was in the gaps Catharine Maria Sedgwick and Edith Wharton **The Priority of Appreciation -- Literary Nationalism and the American Romance** Ruth A. Haring, 1994 **Early American Literature** Michael T. Gilmore, 1980 A critical examination of major American authors ranging from the colonial period to the turn of the eighteenth century *American Novel Explication, 1969-1980*, 2000 Covers criticism of American novels found in journals and books published between the years 1991 and 1995 **Social Criticism & Nineteenth-century American Fictions** Robert Shulman, 1987 The changing market society of the nineteenth century had a deep impact on American writers and their works The writers responded with important insights into the alienation brought on by the country s capitalist development Shulman uses theorists from Tocqueville to Gramsci and the New Left historians as well as drawing on other recent historical and critical studies to examine major nineteenth century American works as they illuminate and are illuminated by their society Using works by Benjamin Franklin Mark Twain Herman Melville Nathaniel Hawthorne Charles Chesnutt Walt Whitman Edith Wharton and Theodore Dreiser he shows the urgency energy and variety of response that capitalism elicited from a range of writers

Critical Essays on Hawthorne's The House of the Seven Gables Bernard Rosenthal, 1995 Assembles a range of criticism on THE HOUSE OF SEVEN GABLES from its earliest reception to contemporary times *Current Book Review Citations*, 1983 **The Popular American Novel, 1865-1920** Herbert Franklin Smith, 1980 [The Publishers' Trade List Annual](#), 1985 *America, History and Life*, 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada [Humanities Index](#), 1981
