Middlemarch In The Twenty First Century:

Middlemarch in the Twenty-first Century Karen Chase,2006 Presents a collection of essays that address the questions which Middlemarch poses Middlemarch in the Twenty-first Century Karen Chase,2023 This collection of essays re examines the novel as an open text responsive to gaps and fissures and as resistant to authority as it is to other fixed notions of identity idealism and gender Middlemarch remains Victorian but has to viewed through the dual perspectives of the 19th and 20th centuries Middlemarch in the Twenty-First Century Karen Chase,2006-01-19 Middlemarch is the prime example of George Eliot s dictum that interpretations are illimitable and in this collection of new essays Middlemarch is re examined as an open text responsive to gaps and fissures and as resistant to authority as it is to other fixed notions of identity idealism and gender What does the novel omit and how do the omissions shape what is there How shall we understand the materiality of the text What problems does it pose to adaptation The novel s plasticity becomes a basis for investigation into the multiple forms of expressiveness and a consideration of how we might plot the patterns linguistically ideologically even cinematically New spaces emerge within character place and narrative what seemed absent or inaccessible assumes shape and definition Middlemarch remains Victorian but it is a Victorianism understood through the dual perspectives of the 19th and 21st centuries Scholars of George Eliot and students of Victorianism will be engaged by the wide ranging scope of these essays which nonetheless build on each other to form a coherent narrative of critical reflections If there is something for everyone in Middlemarch there is also something compelling about each of the essays in this collection Nineteenth-century Literature Criticism Laurie Lanzen Harris,1983-07 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures* ,2007 *Publications of the Modern Language Association of America* ,2006 **George Eliot - George Henry Lewes Studies** ,2007 **On the Threshold of the Twenty-first Century** Valentina Vasil'evna Ivasheva,1978 **Twenty-first Century Lesbian Studies** Katherine O'Donnell,2007 The book s cutting edge essays examine the various meanings of lesbian the risks taken by women who live and or act write and speak as lesbians current genealogical myths and the lives studies and activism of lesbians who represent a range of geographical and historical contexts The book presents research produced outside the United States United Kingdom two places which tend to dominate the field and essays that focus on areas such as medieval studies that are often ignored in theoretical discussions *Mysticism and the Mind* Colleen Marie Pauza,2009 Contemporary Dickens Eileen Gillooly,Deirdre David,2009 Edited by Eileen Gillooly and Deirdre David Contemporary Dickens is a collection of essays that presents some of the most intriguing work being undertaken in Dickens studies today Through an emphasis on the nineteenth century origins of our current critical preoccupations and ways of knowing these essays reveal Dickens to be our contemporary The contributors argue that

such issues as gender and sexuality environmentalism and the construction of national identity were frequently explored and sometimes problematically resolved by Dickens himself They also illuminate the importance of Dickens s place in our current reassessment of critical methodologies Drawing freely upon a variety of reading strategies materialist deconstructive new historical psychoanalytic and feminist the essays disclose new aspects of Dickens s engagements with a number of Victorian concerns moral philosophy the psychology of the emotions and life writing among them that have once again emerged as significant objects of study in early twenty first century criticism Looking at such familiar topics from fresh perspectives Contemporary Dickens is an original and challenging contribution to Dickens studies in particular and Victorian criticism in general Contemporary Dickens will appeal to general readers and students of Victorian culture as well as specialists in nineteenth century literature cultural studies literary formalism psychology and gender studies

Critical Literacy and the Aesthetic Ray Misson,Wendy Morgan,2006 Ray Misson and Wendy Morgan address the role of aesthetics in an age of postmodern criticism showing how critical literacy and the aesthetic are reconcilable in literary theory and practice Why does critical literacy often feel uncomfortable with aesthetic texts like poetry In this provocative book Ray Misson and Wendy Morgan proponents of critical literacy in their home country of Australia develop an understanding of the aesthetic in current poststructuralist terms and the role that the aesthetic might play in a critical literacy classroom Throughout the book their belief remains strong that poststructuralism provides the best framework we have for understanding texts and their relationship to human society and identity To demonstrate how the conjunction of critical literacy and the aesthetic can transform English classrooms the authors draw examples from various genres media and countries including poetry by Donne Shakespeare Robert Lowell and Les Murray To Kill a Mockingbird an episode of Friends and even one chapter using only the example of Huckleberry Finn The authors reconfigure critical literacy so that it can give proper consideration to the aesthetic which involves paying attention to such things as individual identity human emotion creativity and the value and productivity of texts Acknowledging these things within critical literacy is vital As Misson and Morgan emphasize it is one of the greatest pleasures and responsibilities of being an English teacher that we work critically and creatively with the aesthetic and its rich sense of human possibility
