The Heiress vs the Establishment Constance Backhouse, Nancy L. Backhouse, 2005-01-31 In 1922 Elizabeth Bethune Campbell a Toronto born socialite unearthed what she initially thought was an unsigned copy of her mother's will designating her as the primary beneficiary of the estate The discovery snowballed into a fourteen year battle with the Ontario legal establishment as Mrs Campbell attempted to prove that her uncle a prominent member of Ontario's legal circle had stolen funds from her mother's estate In 1930 she argued her case before the Law Lords of the Privy Council in London A non lawyer and Canadian with no formal education or legal training Campbell was the first woman to ever appear before them She won Reprinted here in its entirety Campbell's self published account of her campaign *Where Angels Fear to Tread* is an eloquent first person view of intrigue and overlapping spheres of influence in the early twentieth century legal system Constance Backhouse and Nancy Backhouse provide extensive commentary and annotations to illuminate the context and pick up the narrative where Campbell's book leaves off Vibrantly written this is an enthralling read Not only a fascinating social and legal history it's also a very good story *Osgoode Hall* John Honsberger, 2004-09-01 Winner of the 2006 Fred Landon Award Osgoode Hall is a national monument and one of the architectural treasures of Canada Of the many public buildings erected in pre confederation Canada and British North America it best encapsulates the diverse stylistic forces that shaped public buildings in the first half of the nineteenth century The gated lawns grandly Venetian rotunda the noble dimensions of its library handsome and ornate courtroom portrait lined walls and stained glass evoke a venerable dignity to which few Canadian institutions even aspire It has been the seat of the Law Society of Upper Canada since 1832 and of several of the Superior Courts of the province for almost as long Intended to be the focal point of the legal profession in Upper Canada it has become a symbol of the legal tradition not only in Ontario but throughout Canada and beyond

work illuminates the life and thought of a woman who has left an extraordinary mark on Canada's legal landscape **CM**

Canadian Legal History,1996 *Bad Judgment* is a quintessential fall from grace story about a man from humble beginnings  
who rose to the top of the legal profession only to be removed from the bench because of his bad judgment the intolerant  
attitudes of the elite bar and political necessity What did Leo Landreville really do And why were some of the most famous  
lawyers and politicians in Canada in the 1960s determined to end his judicial career Landreville was appointed one of Her  
Majesty's justices in 1956 After moving from Sudbury to Toronto to take up his job at Osgoode Hall he and his wife moved  
into the newly built and very fashionable Benvenuto Place and joined the best clubs But his elevated status was to be short  
lived As it turned out he had accepted a stock option from Northern Ontario Natural Gas when NONG obtained the gas  
franchise in Sudbury and he was the mayor Soon after settling into his chambers at Osgoode Hall he exercised the option and  
pocketed 117 000 without having laid out a cent Landreville was not the only politician to benefit from his dealings with  
NONG The Gas Scandal as it was called brought an early end to the careers of three provincial Conservative cabinet  
ministers and bruised the reputation of the Liberal leader another beneficiary Landreville was charged with municipal  
corruption and conspiracy but he managed to beat the accusations When the Law Society of Upper Canada convened a  
special committee found the judge guilty of misconduct and called upon the minister of justice to have him removed the  
Landreville affair began The character assassination of Landreville soon became a national sport and the judge found himself

under investigation by a royal commission A joint parliamentary committee then recommended that Landreville be removed from the bench Instead he resigned in disgrace Bad Judgment is a probing account of judicial independence and of what should be done when the conduct of judges is brought into question A veritable Who s Who of Canadian legal and political history it provides an inside look at the workings of the judiciary the Law Society of Upper Canada and the Ontario and federal governments in their attempts to deal with a growing scandal that threatened to bring the administration of justice in Canada into disrepute BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
