**Resentments Kill** Charles Robinson,2018-11-14 Arriving home from work Henry Jenkins sees a black van leaving his driveway on the dead end street where he lives He thinks little of the incident until he enters his home to be greeted by the grisly sight of his dead wife in the bedroom and his daughter dying on the bathroom floor Neither woman survives their brutal attacks and Henry is left alone broken He spirals into a month long drinking binge obsessed with the black van he saw and its Q shaped dent Once sober Henry quits his job as a personnel manager to devote his energy time and money to investigating the murders of his wife and daughter Despite the authorities failure to solve this case Henry will bring the perpetrators to justice But Henry s justice might not involve the court system Haunted by the memory of his butchered family he must become a monster to catch the monsters Never a perfect man he is now a rogue hunter hell bent on revenge Will he find the men responsible for his heartache and when he does will Henry have the enraged fortitude to do what s required

**Midge & Fred** Brian Schatell,1983 When the sinister Mr Blueberry comes to town and kidnaps Fred the balancing goldfish Midge Biffle comes to the rescue Cowley s. John parish magazine Oxford city, Cowley st. Huddleston,2009-11-11 By the time Franklin D Roosevelt took his first oath of office the Great Depression had virtually gutted the nations agricultural heartland In Kentucky nearly one out of every four men was unemployed and relegated to a life of poverty and as quickly as the economy deflated so too did morality The overwhelming majority of unemployed Americans who are now walking the streets would infinitely prefer to work FDR stated in his 1933 appeal to Congress So began the New Deal and with it a glimmer of hope and enrichment for a lost generation of young men From 1933 up to the doorstep of World War II the Civilian Conservation Corps employed some 2 5 million men across the country with nearly 90 000 enrolled in Kentucky Native Kentuckian and CCC scholar Connie Huddleston chronicles their story with this collection of unforgettable and astonishing photographs that take you to the front lines of the makeshift camps and through the treacherous landscape adversity and toil The handiwork of the Kentucky forest army stretches from Mammoth Cave to the Cumberlands and their legacy is now preserved within these pages *Children's Book Review Index* ,1984 *Collateral Damage* Sunny Aleshire Kaiser,2022-08-30 Secrets shame and spite like cancer slowly invade and destroy the relationships most dear to us George Patterson knows firsthand the nightmare left in their wake George Patterson is no stranger to tragedy His father died four days before he was born and his mother died when he was a teen The most recent tragedy has left him reeling the loss of his wife of thirty five years Kate George is trying to get on with life in his peaceful hometown of Sisters Oregon Two of his three children live in the same small town and work alongside him in his hardware store and provide some comfort but every day is a struggle Just when it seems he might find some normalcy in life after Kate a brutal

murder of one of his fishing buddies and one of Sisters s most beloved citizens the high school football coach rocks the town Then the prime suspect turns out to be a former hometown hero his son David George never thought he d see his son again David left for college fifteen years ago and never returned Despite multiple attempts to bridge their estrangement George has been unsuccessful in making peace with his oldest son Friends neighbors and the police are all convinced of David s guilt George posts bail while David is awaiting trial but after years of a turbulent relationship George isn t sure whether to believe his innocence or guilt Can George trust in his son s innocence Will father and son reconcile the wounds of the past Can George trust in God s plan after disappointment and heartache Collateral damage shows how one man discovers that even when it appears all hope is lost God is at work in our lives 2

**Mermare Magic** Alice Anne Findlay,2020-11-23 In this simply delightful tale Alice Anne Findlay has woven together a story reminiscent of Beatrix Potter Gulliver s Travels and even Animal Farm The characters are well dressed and even better fed and so distinctly well written that one feels one has known them a long time The community that Findlay has deftly constructed is filled with sweetness and gentle humor Our young cat protagonist Shiloh finds himself in great company as he attends his first summer camp For dogs Run by cats As if that weren t enough excitement unexpected Mermare magic takes him farther than he would ever have dreamed possible Shiloh s journey allows the reader to explore the tender nuances of blended families social contracts and ecology Alice Anne Findlay s debut novel reminds us that though no one is perfect we can all get along Especially if there are snacks involved Christina Thrasher Librarian

**Catch and Release** Mark Kingwell,2005-04-26 This vibrant blend of memoir travelogue and reflection on the deep truths of angling is framed around an annual fishing trip that Mark Kingwell and his father and two brothers take each year to British Columbia Between the drinking the cigars and the piloting of a small dingy Kingwell previously of the belief that fishing is stupid finds that the sport does allow for one important thing quite a bit of time just to think to allow thoughts to wander and new vistas to open up This realization leads Kingwell who makes his living as a professor of philosophy to ponder everything from masculinity and procrastination to golf and the value of work not to mention the relative benefits of wet versus dry flies the cast and how best to fool a fish As the book engagingly shows fishing is worth thinking about because of the thinking that fishing allows Especially when the trout aren t biting
