Midnight Lady:

The Spiritual Gift That Changed My Life Wananchese Dukes,2019-05-06 The Spiritual Gift That Changed My Life was written to bring people closer to God s grace and love It will show how God works in mysterious ways and the path he wants you to follow My faith was tested so many times in life where I came so close to giving up However unbeknownst to me God had other plans Ever since I was a child growing up in Detroit I knew there was something unusual about me I started having visions and dreams at the age of seven These dreams were mostly about my deceased great grandmother She told me that I had a gift and it would mean so much to others when I got older I tried to avoid going to sleep because these dreams scared me It wasn t until I had my first near death encounter that I realized everything she told me was true In 2009 I was in a bad car accident and almost died At this time I began having visions while I was awake and asleep The visions were of people I didn t know and places I ve never been I was experiencing d j vu every day I felt that this was God s way of trying to get my attention However I ignored these signs and I was still determined to do things my way In 2011 I was a victim of an attempted robbery and shot twice I was rushed to the hospital The doctors couldn t believe I was still alive and how the bullets never entered my body In 2014 my ignorance and eating habits landed me back in the hospital This time was different and I took it more seriously I was tired of running from my gift and I knew that the Lord had great intentions for me I had been given another chance and it was time for me to start living for my purpose
