*Spectator: Literary Discourses with Aestheticism* Neha Sharma,2024-07-08 To those eyes that look out for content and to those hearts that seek warmth sharing a few words that will hopefully offer a helping hand to those in a

situation like this I feel one would come across words through this book that would help him/her reflect on his/her situations that often tend to restrain one's emotions. The work has consumed uncountable days and nights but I would like to assert here that it's a genuine attempt at unravelling those feelings that deserve to be expressed. The amount of hardwork and dedication that has gone into it seeks a bit of assurance from the readers as it will only escalate the confidence of the author to explore some more thoughts in the world of writing.
