## **Migration And Economy Global And Local Dynamics:**

**Migration and Economy** Lillian Trager, 2005-10-13 Trager and her coauthors focus on migration not as a single event but as a dynamic process that responds to and is shaped by broader economic cultural and social forces Individual essays consider issues of international and internal migration of voluntary migration and forced movements due to civil conflicts and environmental degradation and of macro level forces and micro level institutions The authors investigate a wide variety of types of mobility describe transnational and multilocal networks through which remittances and other flows take place focus on migrants as active agents and examine the impacts of ethnicity and assimilation They offer original studies on Mexico Puerto Rico West Africa Kazakstan and Mozambique This new volume will be a valuable resource for researchers and practitioners in development anthropology migration studies and international planning and policy *Research Handbook on the Sociology of Migration* Giuseppe Sciortino, Martina Cvajner, Peter J. Kivisto, 2024-01-18 Adeptly navigating one of the most pressing issues on the current global agenda this topical Research Handbook provides a comprehensive and research based exploration of the sociology of migration As well as highlighting the field s achievements and current challenges it explores key concepts used in current research methods employed and the spheres and contexts in which migrants participate

**Movement, Power and Place in Central Asia and Beyond** Madeleine Reeves, 2013-09-13 Central Asia is a region singularly marked by attempts to transform social life by transforming place Drawing together established scholars and a new generation of historians geographers and anthropologists this volume brings empirical specificity and theoretical depth to debates about the politics of place making in this diverse region making an important contribution to Central Asian studies and a distinctive regional comparison to the spatial turn in social analysis Case studies draw on archival research and oral history to explore the workings and unintended consequences of policies aimed at sedentarizing collectivizing and resettling populations as a means to fix and territorialize space The book also examines ethnographic studies attuned to the role of movement in sustaining social life from Soviet era trade networks that linked rural Central Asia and the Russian metropolis to pilgrimage routes through which kazakhness is articulated to the contemporary moralization of migration abroad in search of work Rather than analysing flows as abstract processes the book enquires about effortful activity material infrastructures political relations and social habits through which people ideas knowledge skills and material objects move or are prevented from moving As such it offers new insights into the complex intersections of movement power and place in this important region over the last two centuries This book was originally published as a special issue of Central Asian Survey

**American Immigration** James Ciment, John Radzilowski, 2015-03-17 Thoroughly revised and expanded this is the definitive reference on American immigration from both historic and contemporary perspectives It traces the scope and sweep of U S immigration from the earliest settlements to the present providing a comprehensive multidisciplinary approach to all aspects of this critically important subject Every major immigrant group and every era in U S history are fully

documented and examined through detailed analysis of social legal political economic and demographic factors Hot topic issues and controversies from Amnesty to the U S Mexican Border are covered in depth Archival and contemporary photographs and illustrations further illuminate the information provided And dozens of charts and tables provide valuable statistics and comparative data both historic and current A special feature of this edition is the inclusion of more than 80 full text primary documents from 1787 to 2013 laws and treaties referenda Supreme Court cases historical articles and letters

*Diaspora for Development in Africa* Sonia Plaza,Dilip Ratha,2011 The diaspora of developing countries can be a potent force for development through remittances but more importantly through promotion of trade investment knowledge and technology transfers The book aims to consolidate research and evidence on these issues with a view to formulating policies in both sending and receiving countries

*Migrant Remittances in South Asia* M. Rahman,T. Yong,A. Ullah,2014-11-25 This volume provides theoretical treatments of remittance on how its development potential is translated into reality The authors meticulously delve into diverse mechanisms through which migrant communities remit investigating how recipients engage in the development process in South Asia

**Mass Migration in the World-system** Terry-Ann Jones,Eric Mielants,2010 Brings to light the experiences of migrants across the world by engaging wide ranging ideas and theoretical viewpoints of the migration process

*Asian and Pacific Migration Journal* ,2006 **Korea Journal** ,2007 Central Eurasian Studies Review ,2004

*International Handbook of Development Economics* Amitava Krishna Dutt,Jaime Ros,2008-01-01 The essays are concise yet comprehensive and each essay contains a substantial set of references which an interested researcher or student could follow up In addition to representing multidisciplinary interactions this collection encompasses several different perspectives within development economics so the reader can learn for example both about neoclassical approaches and dependency theories in the same volume This makes the collection unique and all the more valuable This is a very good reference collection as the individual essays are informative and provide a good overall perspective on the topic that they set out to address The extensive bibliography at the end of each essay adds further value to this collection

Ashwini Deshpande Economic and Political Weekly These new volumes impress along two dimensions First they highlight important connections between economic development and variables such as culture warfare and ethnicity which are sometimes ignored by mainstream economists Second they analyze the economic development experience of different regions such as Africa Latin America and East Asia a valuable reference for scholars and practitioners in the field Highly recommended H A Faruq Choice

This two volume original reference work provides a comprehensive overview of development economics and comprises contributions by some of the leading scholars working in the field Authors are drawn from around the world and write on a wide range of topics After providing an introduction to the subject by examining issues like the meaning and measurement of development historical and interdisciplinary approaches empirical regularities and data problems the contributors provide a wealth of perspectives on and analyses of development economics They discuss alternative approaches to development the

macroeconomics of growth factors and sources of economic development such as capital labor entrepreneurship resources and technology major sectors of concern such as agriculture industry services and the informal sector and international issues such as trade capital and labor flows and technology transfers Income distribution and poverty the state and other institutions and actual development experiences are explored The contributors provide analytical contributions as well as the relation between these contributions and real world and policy issues from a variety of alternative perspectives Scholars students policymakers and other development practitioners will all find this comprehensive reference invaluable

Bibliographie Mensuelle United Nations Library (Geneva, Switzerland),2006     Africa Today ,2009     *Asian Women as Transnational Domestic Workers* Shirlena Huang,Brenda S. A. Yeoh,Noor Abdul Rahman,2005 This volume is an attempt to enhance not only academic research on transnational domestic workers but also inform governments nongovernmental organisations and civil society groups in their efforts to derive appropriate policies and make recommendations to address the problem related to Asian transnational domestic workers BOOK JACKET     **Taking the Place of Food** Ezekiel Gebissa,2010 Khat is a psychoactive shrub whose tender leaves and twigs have been chewed for their euphonising effects in the Horn of Africa and on the Arabian Peninsula for over a millennium Originally grown in small gardens for occasional consumption khat has now become a sought after drug and with it an important income generating product for millions of Ethiopians Gebissa s collection of essays explores this shift from small scale farming to high value cash crop agriculture that has taken place in many parts of Ethiopia     The Anthropology of East Europe Review ,2007     *Book Review Index* ,2006 Every 3rd issue is a quarterly cumulation     **Human Development Report for El Salvador (IDHES)**. William Pleitez,2005     **American Book Publishing Record** ,2005     **Guide** American Anthropological Association,2008
