**Practicing truth : confident witness in our pluralistic world** Linford Stutzman (Shenk, David W., eds),1999

*Practicing Truth* David W. Shenk,1999 Confident Witness in Our Pluralistic World Fourteen noted authors address issues of pluralism and truth The biblical story history theology and philosophy come together to make a case for confident proclamation and practice of Christian faith within the context of pluralism 264 pages **Experiments in Love** Emily Ralph Servant,2021-03-12 Could it be that the stories we tell in our churches weaken our efforts to be congregations who take risks in mission for the sake of love In this thought provoking book Emily Ralph Servant suggests that the work of today's leaders is to explore new stories listen to new voices and open ourselves up to the Spirit's work of transformation *Experiments in Love* engages in a three way dialogue with feminist and liberation theologians the social and behavioral sciences and the Anabaptist tradition Out of this vibrant conversation emerges the story of a God who takes the risk of being radically present to a vulnerable world Because of God's courageous presence with us we can also take the risk of being vulnerably present to others as God invites us all to participate in God's community of life love and flourishing *Introducing Christian Mission Today* Michael W. Goheen,2014-07-14 Michael Goheen gives us a full scale introduction to mission studies today in its biblical theological and historical dimensions Goheen covers the full horizon of major issues in mission including its global urban and holistic contexts This text shows how the missional church encounters the pluralism of Western culture and global religions

**Missionalia** ,2001 Contains abstracts of missiological contributions book reviews and articles **Fullness of Life for All** ,2021-10-01 This important book is needed today The challenges that Christian churches face have changed immensely in the last quarter century One of the central issues facing the churches everywhere in the world is their missionary presence in their nations and societies The authors of this volume are among the world's leading missiological thinkers and represent major Christian traditions in Europe Africa and North America In this new century the Christian church faces new situations that include for example the fall of communism the globalization of culture cultural and religious minorities and multiple religious majorities in nearly every country ethnic and interreligious tensions relativism and individualism in Western culture the rise of a global impact of a postmodern world view poverty in poor countries and in urban areas in wealthy countries and the decline of Western cultural authority and with notable exceptions of religious authority generally This book speaks of ways in which Christian churches are seeking to respond to these challenges The purpose of this book is to describe some of the main challenges facing the churches in mission today particularly with reference to inter religious conversations all over the world The title of this volume has been derived from the theme of the 24th General Assembly of the World Alliance of Reformed Churches WARC at Accra in August 2004 whose theme is That All May Have Life in Fullness **Serving Jesus with Integrity** Dwight P. Baker,Douglas Hayward,2010-06-28 The word ethics carries an aura of countervailing views overlapping claims uncertain footing and seductive attractions Some issues are as clear as the horizontal versus vertical axes

in Sawai Chinnawong's striking painting Joseph and Potiphar's Wife that graces the cover of this book. At the same time because we are involved because our interests, our inclinations, our plans and relationships are at stake, the issues that engage missionary practitioners can be frustratingly labyrinthine, curling endlessly back on themselves. Evangelical missionaries and mission agencies are concerned about personal morality and rightly so. But as the chapters in this volume attest, evangelical mission's ethical engagement extends far beyond simply avoiding compromising sexual situations and not absconding with the finances. How should we talk about others' beliefs and practices to ourselves? To them? How should we represent ourselves to others? What role does tolerance for ambiguity play in missionaries' mental preparation? How should accountability be structured in intercultural partnerships? Are there ways to enable organizational justice to flourish in mission institutions? What might integrity in short-term mission outreach look like? How does care for creation relate to mission? What role can a code of ethics for missionary practice play? Limited and fallible and marred by the fall, we need both guidance and admonition and deep reflection on the conduct of evangelical mission such as is provided in this volume so that we may serve Jesus with true integrity.

The Old Testament in the Life of God's People Jon Isaak, 2009-06-30. This book celebrates the contributions to Old Testament theology of Elmer A. Martens, President and Professor of Old Testament at Mennonite Brethren Biblical Seminary, Fresno, California, both positions now Emeritus. It includes 3 essays written by Martens himself as well as 15 others written by his former students, colleagues, friends, and even one of his professors. The essays are clustered around three topics: Christians' use of the Old Testament, aligning God's people with God's call for justice, and addressing the issue of land in the life of God's people, each of which reflects an area of special interest to Martens. A biographical sketch, a list of the honoree's varied publications, and indexes are included. Martens has had a productive career as teacher, author, and preacher, a career spanning almost six decades and five continents. After 40 years of seminary teaching, Elmer is known to many as professor. He taught his signature class, Old Testament theology, from 1968 to 2004 at Mennonite Brethren Biblical Seminary, shaping an entire generation of preachers and Bible teachers. His Old Testament theology textbook, *God's Design*, now in its third edition, continues to be used at the seminary as well as in translation in numerous other schools around the world.

The Message of Ezekiel Christopher J. H. Wright, 2024-07-02. Christopher Wright opens our eyes to see and understand the message of Ezekiel. Ezekiel's vision of the glory of God, its departure and return, is set first within Israel's history and then in the culmination of God's promises in Christ. Embedded in the pattern of the strange and the wonderful is a word that still speaks to God's people today.
