**Reconstructing Karl Polanyi** Gareth Dale, 2016-09-20 Shortlisted for the Deutscher Memorial Prize 2017 Karl Polanyi's contribution to political economy and social science is immeasurable In *Reconstructing Karl Polanyi* Gareth Dale foremost scholar and biographer of Polanyi provides a sweeping survey of his contributions to the social sciences An opponent of traditional economics and a believer in economics contingency to society and culture Polanyi's work has a cross disciplinary appeal finding popularity in anthropology economic history economic sociology and political science Paradoxical formulations such as liberal socialist and cosmopolitan patriot are often used to describe Polanyi's intellectual and political vision In exploring these paradoxes Dale draws upon original writings and transcripts to reconstruct Polanyi's views on a range of topics long neglected in critical literature including the history of antiquity the evolution and dynamics of Stalin's Russia McCarthyism and Polanyi's critical dialogue with Marxism Accompanying the reconstruction of his work is Dale's analysis of Polanyi's relevance to current issues notably the clash between democracy and capitalism and the nature and trajectory of European unification This proves an indispensable critical guide to Polanyian thought

*Global Capitalist Crisis and the Second Great Depression* Armando Navarro, 2012-01-01 In this comprehensive work Armando Navarro delivers a timely analysis of the global capitalist crisis that has arisen in the United States Navarro offers a wide ranging political historical analysis of events that led up to the present so called Second Great Depression Starting with the end of World War II he tracks the various political and economic decisions that have led to the emergence of the global economic crisis that began in 2006 He provides context for the current economic situation by discussing the major economic and political events including the Great Depression the New Deal the rise of neo liberal capitalism and the collapse of the subprime mortgage industry Navarro incisively reviews and critiques the Obama administration and Democrats quasi welfare capitalist legislation Driven by social democratic models he constructs a transformative social movement paradigm that calls for the rise of reform and proposes dramatic systemic change Navarro concludes by looking at the US political culture what he contends is the major obstacle to the rise of socialism in the United States and speculates about the potentially bleak economic future to come

**The Boycott or the Bullet** Doug McGetchin, 2026-03-25 *The Boycott or the Bullet* A Global History of Debates over Nonviolence since 1850 examines debates within nonviolent movements including labor movements in Europe Gandhi's Indian independence struggle and Martin Luther King's US civil rights campaigns Behind the scenes

nonviolent activists pressured those on their own side to maintain discipline and not to escalate to violence Resolving these internal tensions is part of a wider worldwide dynamic debate between proponents of nonviolent direct action and those of violent revolt This account reveals how nonviolent proponents have successfully managed to curtail advocates of violence pursuing boycotts instead of bullets *Tactics and Emancipation in the Age of Authoritarian Neoliberalism* Nicholas Kiersey, William W. Sokoloff, 2023-04-11 This book calls for new attention to non traditional forms of emancipatory tactics and welcomes to the fold all manner of everyday expressions of anti authoritarianism Capitalism has taken the mask off Elites feel less obliged to pursue strategies of popular legitimization The traditional institutions of representative democracies are thus hollowing out and stand before us corrupted and broken In this milieu the prospects for a democratic entering of the state are seen as increasingly fantastical and the Left is advised instead to adopt a more tactical posture These expressions can run the gamut from the more obviously theatrical antics of The Yes Men to those of black bloc and other direct action militant groups already well known from their interventions in the cities of Berkeley and Charlottesville This volume addresses this problem via the concept of tactics The point is less to prescribe an ideal range of tactics but rather to consider a broader range of resistances from the struggles of indigenous peoples to those who seek refuge from gender or citizenship based discrimination to those who seek to defend black lives from militarized policing *Tactics and Emancipation in the Age of Authoritarian Neoliberalism* will be a beneficial read for students and scholars of Critical Political Science International Relations and International Political Economy The chapters in this book were originally published as a special issue of *New Political Science* *Evolutionary Socialism* Eduard Bernstein, 1912 *The Quest for Social Justice II* Alan D.
