Questions About Jesus Christ S. Michael Houdmann,2013-06-14 For centuries the life of Jesus Christ has divided human history into two eras the before and the after Who He is what He said what He did and what was done to Him these are without a doubt among the most dissected discussed and debated subjects ever Jesus fielded many questions Some were from sincere seekers of truth others were from devious manipulators of truth Which is the great commandment in the Law What must I do to inherit eternal life Why do your disciples break the tradition Who gave you this authority Often Jesus answered a question with a question Jesus skill went beyond rhetoric to challenge ideas inflame faith and spur action Jesus asked the rich young ruler Why do you call me good When questioned about taxes Jesus held up a coin and asked Whose likeness and inscription is this Before revealing His divine identity to the disciples He asked them Who do you say I am The answer to that question makes all the difference This book is full of questions about Jesus The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record

Jesus Is the Question Martin B. Copenhaver,2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to

follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book **Twenty Questions Jesus Asked** John Pritchard,2022-01-20 In this wonderful book John Pritchard draws you into twenty of Jesus most important questions which ring as true today as ever they did I loved it PAULA GOODER CHANCELLOR OF ST PAUL S CATHEDRAL LONDON We usually think of Jesus as preaching and teaching but throughout the gospels he is often asking questions searching enquiries that disarm the hearers into responding unreservedly and provide some of the most profound lessons in the New Testament But what were the questions that Jesus asked And how can we learn from them today Twenty Questions Jesus Asked explores just that Over four distinct sections John Pritchard explores twenty of Jesus conversations by imagining the experience of those being questioned and reflecting on their significance for us as modern Christians With contemporary stories questions for reflection and prayer exercises Twenty Questions Jesus Asked is a brilliant book for both individual and small group use With his characteristic grounded thoughtfulness John Pritchard guides us through Jesus questions and helps us better understand the lessons he was trying to impart so that we can grow as disciples and apply Jesus wisdom to every day life

to know about us Jesus was fond of asking questions many of which cut right to the heart of what it means to be human Why are you terrified What do you live for Who do you say that I am In Questions Jesus Asked author Magrey deVega explores six of the most provocative questions Jesus posed to others and guides us in answering them for ourselves Asking these questions takes courage Not only do they reveal what Jesus really cares about they open a window into our hearts We all have questions for God but growth happens when we turn things around and ask what Jesus wants to know about us When we dare to raise them these questions bring us a fuller appreciation for the wisdom power and presence of God in our lives Are you willing to step out in faith Are you ready to answer the questions Jesus asked The Leader Guide contains everything needed to guide a group through the six week study including session plans activities discussion questions and multiple format options Additional components include the book Questions Jesus Asked and video teaching sessions featuring Magrey deVega making this perfect as a group study throughout the year *Questions Jesus Asked* Ken Hensley, 2018-02-08 We learn a lot from the questions a person asks we learn about them and we learn about ourselves Questions reveal a person's perspective which is built upon their assumptions and their beliefs If you pay close attention to the questions a person asks you will be given a window into how they think and feel Jesus was not only a master story teller he also asked great questions This little book will examine six questions that Jesus asked These questions are all recorded in what we refer to as the Gospels the biographies of Jesus All of them will challenge us to look beneath the surface beneath the obvious answer to one that is fundamentally more challenging To help you along I've included reflection questions at the close of each chapter These are designed to be used individually or in a small group or Bible study Good answers require good questions It is my hope that you will give Jesus permission to ask you these same questions and that you will be blessed with the right answer
