RECREATING **Utopia** IN THE DESERT

A Sectarian Challenge to Modern Mormonism

Recreating Utopia In The Desert

David J. Hakken, Hanna Lessinger

Recreating Utopia In The Desert:

Recreating Utopia in the Desert Hans A. Baer, 1988-01-01 Recreating Utopia in the Desert A Sectarian Challenge to Modern Mormonism is the account of a millenarian sect officially known as the Aaronic Order one of the main splinter groups of the Mormon Church Their story tells us much about the social tensions particularly along class lines that have emerged in Mormonism The Aaronic Order or Levites emerged as the Mormon Church evolved from a religious utopia in the Midwest to a near nation state in the Intermountain West to finally an international theocratic corporation Drawing upon the concept of revitalization movements the Levite sect is viewed as an attempt by working class Mormons to resurrect the communitarian ideals they perceived as characteristic of earlier nineteenth century Mormonism From their beginnings in the Depression the Levites have developed a series of cooperative and communal ventures in Utah based upon the revelations of Maurice Glendenning We see in the Levites the seemingly inevitable processes of institutionalization and fission characterizing revitalization movements that survive By explaining the impetus for the development of sectarian groups such as the Levites the author offers important insights for the discussion of religious communitarianism and schismatic movements in contemporary religion *Selected Readings in the Anthropology of Religion* Stephen D. Glazier, Charles A. Flowerday, 2003-12-30 Brings together in one volume a number of key theoretical and methodological advances in the anthropological study of religion Chapters cover important topics not ordinarily included in books dealing with the anthropology of religion e g bipedalism the study of alcohol film and video images notions of religious agency In addition this collection is intended to build bridges between anthropologists of religion and religious studies scholars Over the last four decades anthropologists have grappled with the dialectical relationship between the examination of cultures from the emic or insider perspective and the etic or outsider perspective Nowhere is this creative tension more evident than in the anthropological study of religion In this volume anthropologists and religious studies scholars come to terms not only with a landscape that has shifted fundamentally but a landscape that is still shifting Essays in this collection raise new and important issues for the anthropological study of religion in new and important ways In intensely personal essays a number of contributors address two fundamental concerns in the study of religion 1 how should anthropologists deal with the beliefs and practices of others and 2 how should anthropologists deal with their own religious backgrounds and beliefs as these may affect their understanding of the beliefs and practices of others A partial resolution to both questions is necessary before the anthropological study of religion can advance to a higher level **From Qumran to the Yahad** Alison Schofield, 2009 Since the discovery of the Cave 4 versions of The Community Rule Serekh ha Yaad or S scholars have been perplexed about its complex textual history This book offers a fresh broader model for reading S that better accounts for the long and diverse history behind the text Divergent Paths of the Restoration Steven L. Shields, 2021-08-30 When Joseph Smith founded the Church of Christ in 1830 he declared it to be God s restoration of true Christianity the Kingdom of God on earth Although he

foresaw opposition to such bold claims he could not fathom that time and unforeseen circumstances would help to spawn hundreds of off shoots and competing denominations all claiming their origins in a movement born and sustained originally by Smith and Sidney Rigdon Many of these groups have endured and boast multiple congregations of believers in many countries others came and went quickly and have long since been forgotten Some have survived but have only appealed to a handful of believers Steven L Shields has for decades chronicled the various origins and paths of all known Restoration movements This fifth edition of his encyclopedic study offered as an ebook includes recent groups born as internet communities That so many groups and individuals have been unsatisfied with the more mainstream Mormon churches yet cling to tenets of the Smith Rigdon movement speaks to the strengths of the restoration concept and the naive view that one denomination can successfully meet all the needs of believers [Doing the Works of Abraham](#) B. Carmon Hardy, 2017-08-30

Celestial Marriage the doctrine of the plurality of wives polygamy No issue in the history of The Church of Jesus Christ of Latter day Saints popularly known as the Mormon Church has attracted more attention From its contentious and secretive beginnings in the 1830s to its public proclamation in 1852 and through almost four decades of bitter conflict with the federal government to Church renunciation of the practice in 1890 this belief helped define a new religious identity and unify the Mormon people just as it scandalized their neighbors and handed their enemies the most effective weapon they wielded in their battle against Mormon theocracy This newest addition to the Kingdom in the West Series provides the basic documents supporting and challenging Mormon polygamy supported by the concise commentary and documentation of editor B Carmon Hardy Plural marriage is everywhere at hand in Mormon history However despite its omnipresence including a broad and continuing stream of publications devoted to it few attempts have been made to assemble a documentary history of the topic Hardy has drawn on years of research and writing on the controversial and complex subject to make this narrative collection of documents illuminating and myth shattering The second relic of barbarism as the Republican Party platform of 1856 characterized polygamy was believed by the Saints to be God s law trumping the laws of a mere republic The long struggle for what was and for some fundamentalists remains religious freedom still resonates in American religious law Throughout the West thousands of families continue the practice even In the face of LDS Church opposition The book includes a bibliography and an index It is bound in rich blue linen cloth two color foil stamped spine and front cover **American Sociology of Religion** ,2007-08-31 This is a collection of histories of various aspects of American sociology of religion The contributions range from descriptions of early dissertations accounts of changes in theoretical conceptualization the evolution of studies of particular denominations to the rise of new areas of inquiry such as globalization feminism new religions and the study of the religious traditions of Latino a Americans Taken as a whole the volume complements rather than duplicates commemorative issues of the relevant journals which focused on the scholarly organizations in the field It represents a first effort to develop an organized treatment of the fascinating history of the specialty in the U S A [Utopian](#)

Studies ,1994 *Modern Polygamy and Mormon Fundamentalists* Brian C. Hales,2006 Modern Polygamy The Generations After the Manifesto provides a background for understanding the practice of polygamy by members of the Church of Jesus Christ of Latter day Saints as well as the discontinuation of that practice which occurred in 1904 This book charts new ground by tackling the previously unexamined period of plural marriages between 1904 and 1934 Without authorization from the Church President after 1904 dissenters assumed authority from several sources But in the 1920s a man named Lorin Woolley began to promote a new priesthood line of authority that he said could solemnize polygamous unions By 1934 most modern polygamists had united behind Woolley s teachings and authority claims Modern Polygamy investigates those assertions and the Mormon fundamentalist organizations that have arisen from them The Allreds the FLDS Church in Texas and on the Utah Arizona border the Kingstons the LeBarons the TLC Church in Manti Utah and other splinter groups are all scrutinized Regardless of one s beliefs regarding Joseph Smith and plural marriage this historical and doctrinal volume will provide interesting reading and enlightenment *Book Review Digest* ,1990 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher **Evaluating the Effects of Polygamy on Women and Children in Four North American Mormon Fundamentalist Groups** Janet Bennion,2008 Highlights many of the inherent problems of polygyny but challenges the myopic media driven depiction of plural marriage This work criticizes the techniques used by state and federal governments to raid entire communities in the 1950s and in April 2008 **Dialogue** ,2005 A journal of Mormon thought Perspectives In U.s. Marxist Anthropology David J. Hakken,Hanna Lessinger,1987-07-08 The Western Historical Quarterly ,1990 Crumbling Walls and Tarnished Ideals Hans A. Baer,1998-02-12 This book presents a corrective to conventional portrayals of East German society both before and after the opening of the Wall in 1989 based largely upon data obtained through participant observation in the German Democratic Republic and the new German states of the Federal Republic of Germany This account is coupled with an analytical interpretation of the failure to develop socialism in the GDR and the impact of the unification of 1990 on East German social life The book also examines the legitimization crisis in the GDR the factors that contributed to the collapse of the GDR state life inside the Socialist Unity Party from below the role of the Protestant and Catholic churches in the GDR and the existential and financial crises within the Protestant churches following unification The work assesses the contradictions of the 40 year history of the GDR not only in terms of its shortcomings but also its achievements **Folklore in Utah** David Stanley,2004 Over thirty scholars examine the development of folklore studies through the lens of over one hundred years of

significant activity in a state that has provided grist for the mills of many prominent folklorists In the past the Folklore Society of Utah has examined the work of such scholars in biographical and other essays published in its newsletters This book incorporates those essays and goes well beyond them to include many other topics offering a thorough history of folklore studies and a guide to resources for those pursuing research in Utah now and in the future The essays survey the development and contributions of folklore studies in Utah from 1892 to 2004 but also represent developments in both academic and public sector folklore throughout the United States Following a thorough historical introduction part I profiles the first folklorists working in the state including Hector Lee Thomas Cheney Austin and Alta Fife Wayland Hand and Lester Hubbard Part II looks at the careers of prominent Utah folklorists Jan Harold Brunvand Barre Toelken and William B Wilson as well as the works of the next current generation of folklorists Part III covers studies in major folklore genres with essays on the study of material culture vernacular architecture and Mormon ethnic Native American and Latino folklore Part IV examines public folklore programs including organizations conferences and tourism Back matter describes academic programs at Utah institutions of higher education summarizes the holdings of the various folklore archives in the state and provides a complete cross indexed bibliography of articles books and recordings of Utah folklore

Brigham Young University Studies Brigham Young University, 1959 A voice for the community of LDS scholars **Sociological Abstracts**, 1990 Southern Anthropological Society Proceedings Southern Anthropological Society, 1968 **Forthcoming Books** Rose Army, 1998 **Sociological Abstracts** Leo P. Chall, 1990 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers
