Red Mutiny A Diary:

Red Mutiny John Wingate, 1978 **The Highland Furies** Victoria Schofield, 2014-12-09 As the oldest of the Highland Regiments The Black Watch has an enviable roster of Battle Honors and a mystique born of repeated service on behalf of King Queen and country On the strength of her acclaimed biography of Field Marshal Earl Wavell the regimental trustees commissioned Victoria Schofield to write this the first volume of her magisterial history of The Black Watch and have fully cooperated with her as she traces the story of the Regiment from its early 18th century beginnings through to the eve of the South African War at the end of the 19th century Originating as companies of highland men raised to keep a watch over the Highlands of Scotland they were formed into a regiment in 1739 Its soldiers would go on to fight with extraordinary bravery and elan in almost every major engagement fought by the British Army during this period from the American War of Independence the Peninsular Wars Waterloo the Crimea Indian Mutiny to Egypt and the Sudan Drawing on diaries letters and memoirs Victoria Schofield skillfully weaves the multiple strands of this story into an epic narrative of a valiant body of officers and men over one and a half centuries In her sure hands the story of The Black Watch is no arid recitation of campaigns dates and battle honors but is instead a rich and compelling record of the soldier s experience under fire and on campaign It is also a celebration of the deeds of a regiment that has played a unique role in British history and a vivid insight into the lives of the many remarkable figures who have marched and fought so proudly under its Colors It is supported by more than 170 pages of appendices bibliography maps and notes as well as a brilliant array of illustrations Military History Monthly
