Inspiration is for everyone It isn't reserved for high profile creative geniuses in the arts and sciences it's our Divine birthright In *Living an Inspired Life* previously published under the title *Inspiration* Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form From this all knowing place of spirit we choose our physical body our parents and the nature of the life we would lead on the earth We made these choices co creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates As you read each chapter in this book you'll find specific suggestions for living in Spirit

The Shift Dr. Wayne W. Dyer, 2019-05-30 *The Shift* a companion book to the movie of the same name illustrates how and why to make the move from ambition to meaning Such a shift eliminates our feelings of separateness illuminates our spiritual connectedness and involves moving from the ego directed morning into the afternoon of life where everything is primarily influenced by purpose As we contemplate leaving the morning of our life where ego has played a commanding role and entering the afternoon and evening where meaning and purpose replace ambition and struggle we may encounter unexpected occurrences that accompany this new direction It's almost a universal law that we'll experience a fall of some kind Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose *The Shift* doesn't mean that we lose our drive and ambition it signifies that we become ambitious about something new We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than never ending demands and false promises that are the trademark of the ego's agenda As Dr Wayne W Dyer so eloquently reveals in these pages we all have the choice to shift our lives from ambition to meaning and thereby complete our return to the Source that created us
