Maldivian Dictionary:

A Maldivian Dictionary Christopher Hanby Baillie Reynolds, 2003 Maldivian also known as Divehi is spoken on the Maldivian Islands located off the southwest tip of India in the Indian Ocean This Maldivian English Dictionary consists of 5000 individual entries **Dhivehi** Amalia E. Gnanadesikan, 2016-12-05 Dhivehi the language of the Maldives has received little attention in the linguistic literature and no other comprehensive grammar of the standard language has yet been published This work describes the phonology unique orthography morphology and syntax of standard Dhivehi Plentiful examples with native orthography Roman transliteration and morpheme by morpheme glossing illustrate the various features of the language This grammar will be of use both to linguists and to students of Dhivehi **Dhivehi (Maldivian)** Bruce D. Cain, James W. Gair, 2000 **Locating Maldivian Women's Mosques in Global Discourses** Jacqueline H. Fewkes, 2019-03-19 In this ethnographic examination of women's mosques in the Maldives anthropologist Jacqueline H. Fewkes probes how the existence of these separate buildings where women lead prayers for other women intersect with larger questions about gender space and global Muslim communities Bringing together ethnographic insight with historical accounts this volume develops an understanding of the particular religious and cultural trends in the Maldives that have given rise to these unique socio-religious institutions As Fewkes considers women's spaces in the Maldives as a practice apart from contemporary global Islamic customs she interrogates the intersections between local national and transnational communities in the development of Islamic spaces linking together the role of nations in the formation of Muslim social spaces with transnational conceptualizations of Islamic gendered spaces Using the Maldivian women's mosque as a starting point this book addresses the roles of both the nation and the global Muslim ummah in locating gendered spaces within discourses about gender and Islam **Cargoes in Motion** Burkhard Schnepel, Julia Verne, 2022-02-08 An innovative collection of essays that foregrounds specific cargoes as a means to understand connectivity and mobility across the Indian Ocean world Scholars have long appreciated the centrality of trade and commerce in understanding the connectivity and mobility that underpin human experience in the Indian Ocean region But studies of merchant and commercial activities have paid little attention to the role that cargoes have played in connecting the disparate parts of this vast oceanic world Drawing from the work of anthropologists geographers and historians *Cargoes in Motion* tells the story of how material objects have informed and continue to shape processes of exchange across the Indian Ocean By following selected cargoes through both space and time this book makes an important and innovative contribution to Indian Ocean studies The multidisciplinary approach deepens our understanding of the nature and dynamics of the Indian Ocean world by showing how transoceanic connectivity has been driven not only by economic social cultural and political factors but also by the materiality of the objects themselves Essays by Edward A. Alpers Fahad Ahmad Bishara Eva Maria Knoll Karl Heinz Kohl Lisa Jenny Krieg Pedro Machado Rupert Neuhfer Mareike Pampus Hannah Pilgrim Burkhard Schnepel Hanne Schöning Tansen Sen Steven Serels
