Male Mystique:

The Future of Marriage Jessie Bernard, 1982-01-01 Dr Bernard examines recent research findings on the present nature of the marriage commitment and predicts a less restrictive role for women in future marriages Men in Transition
Kenneth Solomon, 2013-11-11 Every year the few hundred members of the Committees Task Forces and Councils of the American Psychiatric Association meet in Washington D C to conduct their business They deliberate on a wide variety of issues encompassed in the activities of each group The psychiatrists constituting this mixed and somewhat elite group include some of the better known and promising people in the profession which makes the plenary session and cocktail party good occasions to meet old friends and to make new ones Several years ago one of us N B L attended this gathering as a member of a soon to be defunct group the Committee Liaison with the American College of Physicians and met Ann Chappell a member of the Task Force on Women We were soon joined by Richard Grant Ann impressed us with the work her group was doing on issues surrounding the Women s Movement as it relates to patients and the changing roles of the early 1970s She was struck by the fact that although some women had been very active in this endeavor nobody in American psychiatry was addressing issues which are arising in men as a result of the changing roles of women in society Dick and Norm were moved by what she said and decided that they would make an effort to gather together people interested in the issue of the changing roles of males in society at the oncoming meeting of the American Psychiatric Association Cable Guys Amanda D. Lotz, 2014-03-31 The emergence of male centered serials such as The Shield Rescue Me and Sons Of Anarchy and the challenges these characters face in negotiating modern masculinities From the meth dealing but devoted family man Walter White of AMC s Breaking Bad to the part time basketball coach part time gigolo Ray Drecker of HBO s Hung depictions of male characters perplexed by societal expectations of men and anxious about changing American masculinity have become standard across the television landscape Engaging with a wide variety of shows including The League Dexter and Nip Tuck among many others Amanda D Lotz identifies the gradual incorporation of second wave feminism into prevailing gender norms as the catalyst for the contested masculinities on display in contemporary cable dramas Examining the emergence of male centered serials such as The Shield Rescue Me and Sons of Anarchy and the challenges these characters face in negotiating modern masculinities Lotz analyzes how these shows combine feminist approaches to fatherhood and marriage with more traditional constructions of masculine identity that emphasize men s role as providers She explores the dynamics of close male friendships both in groups as in Entourage and Men of a Certain Age wherein characters test the boundaries between the homosocial and homosexual in their relationships with each other and in the dyadic intimacy depicted in Boston Legal and Scrubs Cable Guys provides a much needed look into the under considered subject of how constructions of masculinity continue to evolve on television *The Male Mystique* Urban G. Steinmetz, 1971-02 **The Wounded Male** Steven Farmer, 1992 Modern men are wounded by historical and cultural developments as well as by specific family problems

Traditional masculinity is a straitjacket that forces men to repress all their emotions under an I can handle it facade a facade that encourages men to become emotionally numb unable to feel joy as well as sadness But men don't have to live this way THE WOUNDED MALE describes the sources and consequences of the many wounds men receive from society and family including the father wound how the physical or emotional absence of a father or a father as rigid disciplinarian can profoundly affect a growing boy and the mother wound which is rooted in the extremes of too much mothering engulfing or too little mothering abandoning Farmer personalizes his analysis with examples from his own life and the lives of other men He shows that healing the wounds of manhood is not a one shot deal but a long slow journey of self discovery Whether you are just setting out on that journey or wish to travel farther and deeper you will find THE WOUNDED MALE an indispensable companion **A Man's Place** Joe L.
