Mama Traps A Killer:

Mama Traps a Killer Nora DeLoach,1995 Simone and Mama Candi look for evidence to clear him when Daddy Covington is accused of murder Sojourner Truth Peter Krass,1990 Anti Slavery Activist **Sequels** Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Mama Cracks a Mask of Innocence* Nora DeLoach,2011-06-08 There s not a killer in the world who can hide from Mama Dark encounters and deadly lessons I was happy to volunteer a few days back home to help Mama distribute clothing to the needy But I didn t expect big city dangers to follow me all the way to Otis South Carolina Instead of doing good deeds and cooking up a storm Mama was digging deep into shady secrets after young Brenda Long was discovered dead in a shallow grave Someone wanted Brenda silenced bad enough to kill and the list of suspects is long But is the killer the drug dealing teacher that Brenda threatened to expose Or can it have been the man who was sent to jail after Brenda caught him stealing now paroled and bent on exacting his revenge Everyone knows that Mama has had good luck as the town s unofficial sleuth But as a maze of tangled relationships leads to dead ends and dead bodies time is slipping away For our worst enemies can masquerade as friends and even Mama s luck can run out **100 Most Popular African American Authors** Bernard A. African American Mystery Writers Frankie Y. Bailey, 2014-01-10 The book describes the movement by African American authors from slave narratives and antebellum newspapers into fiction writing and the subsequent developments of black genre fiction through the present It analyzes works by modern African American mystery writers focusing on sleuths the social locations of crime victims and offenders the notion of doing justice and the role of African American cultural vernacular in mystery fiction A final section focuses on readers and reading examining African American mystery writers access to the marketplace and the issue of the double audience raised by earlier writers Instructors considering this book for use in a course may request an examination copy here *Mama Pursues Murderous Shadows* Nora DeLoach, 2011-06-15 With Mama on the case murder meets its match A tryst with a deadly twist All I'd wanted to do back home in Otis South Carolina was whip up a wonderful thirty fifth anniversary party for my parents But we'd hardly picked the baker before Mama found herself volunteering her services for the one thing she did nearly as well as cook And that is sleuthing You see Ruby Spikes was found dead in a motor inn with a gun in her hand a suicide note and a certified check receipt to a man no one ever heard of not even the trio of Otis gossips who are Mama's rock solid source of information Neither they nor Mama despite Ruby's tormented diary were convinced she went to her reward willingly But this was a young woman with an outside bundle of secrets and enemies And when Mama starts sorting them out and sudden death makes a return visit it looks like she'll uncover the truth only by making herself and me a killer's next target **Mama Stalks the Past** Nora DeLoach, 1997

Mama's passion is digging up bits and pieces until she's solved a mystery. Long ago she decided that if we could get at the truth of a problem we would have made a contribution to humankind. Most of the time I agree with Mama. This time however finding the truth about Hannah Mixon's murder could cost Mama her life. Mama's name is Grace but folks call her Candi because of a golden brown complexion that puts you in mind of candied sweet potatoes. Mama makes her living as a case manager for Social Services but her talent for cooking up the best food in Otis, South Carolina is well known. When things weren't working out for me in Atlanta, Mama suggested I come home. I soon knew I'd made the right decision when I found Nat Mixon on Mama's doorstep threatening to tell the whole town that Mama stole his inheritance. It seems that Nat's mother and Mama's neighbor, spiteful recluse Hannah Mixon, had just died and left a will naming Mama as her beneficiary, yet Mama had never spoken to the woman. Everybody in Otis knew Nat was one can short of a six pack but he was built like a tank and threatening Mama's reputation which to Mama is as bad as threatening her life. When it turned out the bequest was 250 acres of land and Miss Hannah had died of poisoning, a big drama was under way in a small town where inherited property is more valuable than gold. Mama couldn't see her reputation ruined, she had to discover why Hannah had left her the property and why the old woman had been murdered. And maybe that was exactly what Hannah Mixon expected her to do, why else had she left Mama a message to look for a missing envelope. But before Mama can find the hidden clue, Nat Mixon himself is brutally attacked. Mama's sleuthing intuition gets to working and with the kindly assistance of three Otis women who should be on the FBI payroll for their expertise in uncovering other people's business, my ninety-nine year old great uncle Chester's grasp of family history and me as her escort, Mama prows that blood flowed freely on Hannah Mixon's land. Land that somebody was willing to kill for more than once. And unless Mama can uncover a secret buried for decades beneath greed and family betrayal and now murder, she may never sleuth again. In *Mama Stalks the Past*, Nora DeLoach offers up a suspenseful tale of how family ties snap like thread when a large inheritance attracts a brutal killer. And she spins a tale featuring one of the most endearing and memorable sleuths in fiction today.

American Mystery and Detective Novels

Larry Landrum, 1999-05-30. Mystery and detective novels are popular fictional genres within Western literature. As such they provide a wealth of information about popular art and culture. When the genre develops within various cultures it adopts and proceeds to dominate native expressions and imagery. American mystery and detective novels appeared in the late nineteenth century. This reference provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries. Critical approaches covered in the volume include story as game, images, myth, criticism, formalism, and structuralism, psychoanalysis, Marxism, and more. Comparisons with related genres such as gothic suspense, gangster, and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction. The guide is divided into five major sections: a brief history, related genres, criticism, authors, and reference. This organization accounts for the

literary history and types of novels stemming from the mystery and detective genre A chronology provides a helpful overview of the development and transformation of the genre

Silk Stalkings Victoria Nichols, Susan Thompson, 2000-09-20 *Silk Stalkings When Women Write of Murder* first published by Black Lizard Books in 1988 began more than fifteen years ago as the authors personal shopping list United by a common interest in crime and mystery fiction written by women and unable to find a reference source listing these titles the team of Nichols Thompson began to compile a list for themselves They have done it again the result is the remarkable *Silk Stalkings More Women Write of Murder* That the genre has grown enormously since the first edition was published is obvious The authors not only updated past references but have also searched out and introduced new women mystery writers This book provides a comprehensive survey of series characters created by women authors in crime and mystery fiction from 1867 to 1997 The first half of the book categorizes 187 characters created since 1976 by profession avocations and inclination and discusses them in a frank witty critical voice The second half consists of a master list alphabetically arranged by author s real name and cross referenced by pseudonyms and a series character to author list The depth of the authors research is impressive and the detail is impeccable The authors have been actively involved in the community of mystery writers for fifteen years attending conferences and getting to know the authors of the books chronicled in *Silk Stalkings* Nichols Thompson provide scholars and fans alike with a source of long lost or forgotten treasures as well as what is currently hot in the world of women s mystery writing today This extraordinary reference effortlessly blends engaging observations with useful data into a work that will continue the well established tradition of *Silk Stalkings*

Mama Traps A Killer Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mama Traps A Killer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mama Traps A Killer has opened up a world of possibilities. Downloading Mama Traps A Killer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mama Traps A Killer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mama Traps A Killer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mama Traps A Killer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mama Traps A Killer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mama Traps A Killer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
