## Man Adam:

*Paul and Scripture* Steve Moyise, 2011-09-22 This is the only short book available that summarizes the role scripture played in Paul's thought Accessibly written at undergraduate level it outlines the key arguments in the debate Written by an international expert on the subject Paul and Scripture also contributes to contemporary Church discussions about the proper interpretation of scripture

*God Never Meant for Us to Die* Pierre Gilbert, 2020-04-21 The most incisive indictment against Christianity resides in the notion of a God who created a world in which there is untold suffering and death Is this the best God could do In response most Christians will mutter something about free will or the necessity of evil to bring about God's plan for humanity Theologians often reply by challenging the very legitimacy of the question God only requires that we persevere Biblical scholars who might otherwise be expected to offer a scriptural perspective nervously denounce any suggestion that the presence of evil may have had something to do with a primordial couple and a fruit tree Is it any wonder that most people believe that evil must surely be an intractable component of human existence introduced perhaps by the very God Jews and Christians worship This book is a response to the problem of evil that unconditionally affirms the goodness and power of God Based on a new assessment of the Genesis creation story one of the greatest texts ever to have emerged in human history the author contends that God never intended for humanity to experience suffering and death
