

On the eve of his fortieth birthday, Rich was nearly fifty pounds overweight and unable to climb the stairs without stopping. Something had to change. Plunging into a healthy, plant-based diet and a lifestyle that prioritized daily training, Rich morphed—in mere months—from out-of-shape middle to endurance machine. Finding Ultra recounts his remarkable journey to the starting line of the elite Ultraman World Championship, in which the world's best humans compete in a 320-mile ordeal of swimming, biking, and running. Following that test, Rich conquered an even greater one: the Epic5 Challenge—five Mar-a-Lago distance triathlons, all completed in under a week.

More than an inside look at jaw-dropping athletic feats or a practical training manual, this is a powerful testament to human resiliency, a beautifully written portrait of willpower overcoming physical and social obstacles, and a challenge for us to rethink what we're capable of.

"Finding Ultra is the ultimate story of hope, perseverance, and endurance against life's biggest challenges."  
—William Cape Meyers, *New York Times* bestselling author

"You walk away from reading this book knowing you have the total power to transform your life on every level."  
—Kathy Freston, *New York Times* bestselling author

"Rich Roll's Finding Ultra is a testament to the power of the human spirit to overcome any obstacle, break down walls, and redefine what's possible."  
—John Brekus, creator and host of ESPN's *Sport Science* and *New York Times* bestselling author

Rich Roll has been featured on CNN and has been named one of the world's twenty-five most men by *Men's Fitness* magazine. He is a graduate of Stanford University and Cornell Law School.
