Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1907 *On Philosophy, History, and Literature* Rudolf Steiner,2024-01-16 Author's summary and summaries of 34 lectures 1901 1905 with reports on Rudolf Steiner's activity in the Giordano Bruno Association 1902 CW 51 Steiner's approach was at first a surprise for the students who had been schooled in Marxist thought and tended to view all spiritual matters as byproducts of material economic processes For them it was questionable whether the spiritual striving of individual human beings could really be a driving force in history Steiner knew the soul disposition of his students and the inexpressibly tragic situation that the proletariat's intense desire for knowledge had so far been satisfied only through the grossest form of materialism But the materialistic ideas that had been absorbed by the workers from popular scientific literature and from Marxist writings contained partial truths introduction Wide ranging illuminating and entirely unique in Rudolf Steiner's Collected Works this volume consists of lectures given at the Worker Education School and at the Independent College in Berlin along with a lengthy appendix on Steiner's activity in the Giordano Bruno Association Concerning his teaching activities in the Worker School Steiner later reflected in his autobiography I had to find a completely different way of expressing myself than I had

become used to until then p 193 This was due largely to his students working class background Steiner s new approach involved allowing idealism to arise from materialism The result was the foundation for what he called historical symptomatology that is the study of the deeper causes behind history through their symptomatic expression in concrete historical events This volume is therefore an exceptional resource for anyone interested in Steiner s approach to history Steiner s lectures at the Independent College which form part two of the volume are concerned on the one hand with the philosophies of the medieval and early modern mystics forming a companion to his book *Mystics after Modernism* CW 7 and on the other with the remarkable figure of Friedrich Schiller Speaking on the occasion of the centenary of Schiller s death Steiner s lectures are a brilliant homage to the great thinker and dramatist brimming with insights into this extraordinary individual and the significance of his contributions for our time The appendix contains unique documents outlining Steiner s work in the Giordano Bruno Association for a Unified Worldview The lively exchange of ideas and Steiner s unique role within the Association are evident in the selected lectures and discussions This book is a must read for both long time students of Steiner s work and newcomers seeking a fresh enlivened and enlivening approach to philosophy history and literature
