**Resentments Kill** Charles Robinson,2018-11-14 Arriving home from work Henry Jenkins sees a black van leaving his driveway on the dead end street where he lives He thinks little of the incident until he enters his home to be greeted by the grisly sight of his dead wife in the bedroom and his daughter dying on the bathroom floor Neither woman survives their brutal attacks and Henry is left alone broken He spirals into a month long drinking binge obsessed with the black van he saw and its Q shaped dent Once sober Henry quits his job as a personnel manager to devote his energy time and money to investigating the murders of his wife and daughter Despite the authorities failure to solve this case Henry will bring the perpetrators to justice But Henry s justice might not involve the court system Haunted by the memory of his butchered family he must become a monster to catch the monsters Never a perfect man he is now a rogue hunter hell bent on revenge Will he find the men responsible for his heartache and when he does will Henry have the enraged fortitude to do what s required

**Midge & Fred** Brian Schatell,1983 When the sinister Mr Blueberry comes to town and kidnaps Fred the balancing goldfish Midge Biffle comes to the rescue *Axis Sally* Richard Lucas,2013-05-07 A fascinating well researched account of Mildred Gillars the failed actress who turned on her country and became a Nazi propagandist during WWII Publishers Weekly One of the most notorious Americans of the twentieth century was a failed Broadway actress turned radio announcer named Mildred Gillars 1900 1988 better known to American GIs as Axis Sally Despite the richness of her life story there has never been a full length biography of the ambitious star struck Ohio girl who evolved into a reviled disseminator of Nazi propaganda At the outbreak of war in September 1939 Gillars had been living in Germany for five years Hoping to marry she chose to remain in the Nazi run state even as the last Americans departed for home In 1940 she was hired by the German overseas radio where she evolved from a simple disc jockey and announcer to a master propagandist Under the tutelage of her married lover Max Otto Koischwitz Gillars became the personification of Nazi propaganda to the American GI Spicing her broadcasts with music Gillars s used her soothing voice to taunt Allied troops about the supposed infidelities of their wives and girlfriends back home as well as the horrible deaths they were likely to meet on the battlefield Supported by German military intelligence she was able to convey personal greetings to individual US units creating an eerie foreboding among troops who realized the Germans knew who and where they were After broadcasting for Berlin up to the very end of the war Gillars tried but failed to pose as a refugee and was captured by US authorities Her 1949 trial for treason captured the attention and raw emotion of a nation fresh from the horrors of the Second World War Gillars s twelve year imprisonment and life on parole including a stay in a convent is a remarkable story of a woman who attempts to rebuild her life in the country she betrayed **Collateral Damage** Sunny Aleshire Kaiser,2022-08-30 Secrets shame and spite like cancer slowly invade and destroy the relationships most dear to us George Patterson knows firsthand the nightmare left in their wake George Patterson is no stranger to tragedy His father died four days before he was born and his mother died when he was a
