Midnight Stranger 53:

The Night We Became Strangers Lorena Hughes, 2025-09-30 An immersive historical novel based on true events In 1938 Orson Welles's legendary radio dramatization of H G Wells's novel *The War of the Worlds* terrified Americans into believing Martians were invading Eleven years later an Ecuadorian radio station adapted the show with catastrophic consequences Now two young journalists are determined to uncover what really happened to their families that night even as secrets endanger their future 1957 Aspiring photojournalist Valeria Anzures returns to her hometown of Quito with a secret purpose to discover the truth about how her parents really died The disastrous 1949 *War of the Worlds* show caused a mob to torch her family's radio station and the newspaper run by their closest friends the Monteros The tragedy shattered the families relationship and left the station on precarious financial ground Now expected to save her family's legacy through an arranged marriage Valeria will risk everything to find out the truth Even if it means allying with the man she's always loved but who now treats her like a stranger For Mat as Montero the scars of that night run deep He saved his mother but blames himself for not rescuing his father As a journalist he views Valeria as a rival Still they're both on the same mission Perhaps together they can unearth the past their families and friends would rather remain buried Valeria and Mat as soon find trusting each other is as dangerous as the attraction they can't resist Between their families mutual hatred duplicitous witnesses and insidious lies and ruthless manipulations exposing the real story will put their future on the line and ignite revelations no one saw coming

A Well-Paid Slave Brad Snyder, 2007-09-25 A captivating look at how center fielder Curt Flood's refusal to accept a trade changed Major League Baseball forever After the 1969 season the St Louis Cardinals traded their star center fielder Curt Flood to the Philadelphia Phillies setting off a chain of events that would change professional sports forever At the time there were no free agents no no trade clauses When a player was traded he had to report to his new team or retire Unwilling to leave St Louis and influenced by the civil rights movement Flood chose to sue Major League Baseball for his freedom His case reached the Supreme Court where Flood ultimately lost But by challenging the system he created an atmosphere in which just three years later free agency became a reality Flood's decision cost him his career but as this dramatic chronicle makes clear his influence on sports history puts him in a league with Jackie Robinson and Muhammad Ali *The Washington Post*
