Migrant Soul:

Dancing with Ghosts Frederick Luis Aldama, 2005 A critical biography of novelist poet and former Stanford professor Arturo Islas 1938 1991 *Immigrant and Asylum Seekers Labour Market Integration upon Arrival: NowHereLand* Irina Isaakyan, Anna Triandafyllidou, Simone Baglioni, 2022-11-18 Through an inter subjective lens this open access book investigates the initial labour market integration experiences of these migrants refugees or asylum seekers who are characterised by different biographies and migration asylum trajectories The book gives voice to the migrants and seeks to highlight their own experiences and understandings of the labour market integration process in the first years of immigration It adopts a critical qualitative perspective but does not remain ethnographic The book rather refers the migrants own voice and experience to their own expert knowledge of the policy and socio economic context that is navigated Each chapter brings into dialogue the migrant s intersubjective experiences with the relevant policies and practices as well as with the relevant stakeholders whether local government national services civil society or migrant organisations The book concludes with relevant critical insights as to how labour market integration is lived on the ground and on what migrants do with labour market policies rather than on what labour market policies do to or for migrants

Migrant Soul Avi Shafran, 2013-01-24 A man of African and Native American ancestry would seem an unlikely candidate for conversion to Judaism especially for becoming an observant Orthodox Jew And Abel Gomes wouldn t ever have struck anyone as a radical or unpredictable person On the contrary he has always been thoughtful calm intelligent and focused not someone given to rash decisions or susceptible to mystical compulsions Abel s determination to become a Jew emerged slowly nurtured by a relentless logic that led him to regard his Catholic upbringing with intellectual discomfort and by his marriage to a Jewish woman although one not at all interested at least at the time in exploring her own religious heritage Ariella who had been raised by secular parents was entirely comfortable with being Jewish only in a cultural sense and as her marriage to a non Jew testified felt unconstrained by religious rules In fact her husband s growing interest in her ancestral heritage only irked her at first If Abe s ethnic roots were an unlikely impetus for him to explore Judaism Ariella s self identity as a cultural Jew added to the unlikelihood that the couple would one day become committed Orthodox Jews But the unlikely sometimes comes to pass and the story of the young couple s journey to Orthodox Judaism is recounted in *Migrant Soul The Story of an American Convert* Abel s interest in Judaism led Ariella to first humor him and eventually join him on his quest to go from affiliation with an Indian tribe to membership in the Jewish one The couple s journey led them to Reform and Conservative Jewish communities and finally to the Orthodox one Abel and Ariella quickly came to realize that Reform Jewish theology has redefined Judaism to the point where it has more in common with American political and social liberalism than with the foundational tenets and practices of Jews through the centuries That was not what they were searching for And so with Orthodoxy as far from their minds as Buddhism the two seekers gravitated to the Conservative movement which claimed fealty to the Jewish past even as

it embraced the vibrant cultural and intellectual present. With time though they became disappointed by that segment too of the contemporary Jewish world. It seemed to offer more lip service than true dedication to Jewish ideas and practices and differed from the Reform community more in quantity of Jewish practices than in quality of fealty to traditional Judaism. Moreover despite Abel's Conservative conversion and the welcome he received from Conservative Jews he found that his unusual background did not insulate him from being regarded by Conservative Jews despite their progressive stances in other realms as an outsider. Even as they became active members of a Conservative congregation Abel and Ariella began to interact with members of the Orthodox community in the city where they lived. And those interactions recounted in *Migrant Soul* empowered by the couple's increasing realization that conversion to Judaism was more than a ceremony that becoming a Jew meant becoming a Jew an actual part of the Jewish people led to Abel's decision to undergo a conversion that met the strict standards of halacha or Jewish religious law. Neither the process leading to that point nor the conversion rite nor its aftermath were easy. But Abel and Ariella were determined and succeeded in becoming not only fully observant of Jewish religious law and not only active and essential parts of an Orthodox community but inspirations for countless Jews both those who know them personally and those who became acquainted with them at a distance through the pages of *Migrant Soul*.

The Mara Crossing Ruth Padel, 2012-01-05 First published as *The Mara Crossing* now with new and updated material. Home is where you start from but where is a swallow's real home. And what does native mean if the English oak is an immigrant from Spain. In ninety richly varied poems and illuminating prose interludes Ruth Padel weaves science myth wild nature and human history to conjure a world created and sustained by migration. We're all from somewhere else she begins tracing the millennia old journeys of cells trees birds and beasts. Geese battle raging winds over Mount Everest lemurs skim precipices in Madagascar and wildebeest at the climax of their epic trek from Tanzania brave a river filled with the largest hungriest crocodiles in Africa. Human migration has shaped civilisation but today is one of the greatest challenges the world faces. In a series of incisive portraits Padel turns to the struggles of human displacement the Flight into Egypt John James Audubon emigrating to America feeding migrant birds en route migrant workers in Mumbai and refugees labouring over a drastically changing planet to show how the purpose of migration for both humans and animals is survival. Poignant thought provoking and utterly compelling here is a magnificent tapestry of life on the move from the acclaimed author of *Darwin A Life in Poems*. *Decolonization and Anti-colonial Praxis*, 2019-06-07 *Decolonization and Anti-colonial Praxis* presents research on contemporary forms of decolonization and anti colonialism in practice. It pertains to the ways in which individuals groups and communities engage with the logic of epistemic colonial power within areas of citizenship migration education Indigeneity language land struggle and social work. The contributions in this edited volume empirically document the conceptual and bodily engagement of racialized and violated individuals and communities as they use anti colonial principles to disrupt criminalizing institutional discourses and policies within various global imperial contexts. The terms Decolonization

and Anti colonialism are used in diverse and interdisciplinary academic perspectives They are researched upon and elaborated in necessary ways in the theoretical literature however it is rare to see these principles employed in applied forms Decolonization and Anti colonial Praxis provides a much needed contemporary and representative reclamation of these concepts from the standpoint of racialized communities It explores the frameworks and methods rooted in their indigeneity cultural history and memories to imagine a new future The research findings and methodological tools presented in this book will be of interdisciplinary interest to teachers graduate students and researchers Contributors are Harriet Akanmori Ayah Al Oballi Sevgi Arslan Jacqueline Benn John Lucy El Sherif Danielle Freitas Pablo Isla Monsalve Dionisio Nyaga Hoda Samater Rose Ann Torres Umar Umangay and Anila Zainub
